

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott & Suzanne Tollaksen  
DOCKET NO.: 21-04563.001-R-1  
PARCEL NO.: 16-28-306-013

The parties of record before the Property Tax Appeal Board are Scott & Suzanne Tollaksen, the appellants, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$61,089  
**IMPR.:** \$115,448  
**TOTAL:** \$176,537

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a split-level dwelling of brick and wood siding exterior construction with 1,876 square feet of living area. The dwelling was constructed in 1963. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 529 square foot garage. The property has an approximately 12,010 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .12 of a mile from the subject. The comparables have sites with 8,503 or 8,773 square feet of land area that are improved with what are described as 1-story dwellings ranging in size from 1,667 to 2,050 square feet of living area. The dwellings were built in 1959 or 1960. The comparables have basements, one of which has finished area, central air conditioning, and a garage ranging in size

from 455 to 550 square feet of building area. Two comparables each have a fireplace. The comparables sold from March to December 2020 for prices ranging from \$350,000 to \$450,000 or from \$170.73 to \$269.95 per square foot of living area, including land.

Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$176,537. The subject's assessment reflects a market value of \$530,938 or \$283.02 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within .52 of a mile from the subject. The comparables have sites ranging in size from 9,460 to 13,070 square feet of land area that are improved with what are described as 1-story dwellings of brick or brick and wood siding exterior construction ranging in size from 1,350 to 1,925 square feet of living area. The dwellings were built from 1956 to 1959. Two comparables have unfinished basements, four comparables have central air conditioning, three comparables each have a fireplace, and each comparable has an attached garage ranging in size from 252 to 550 square feet of building area. The comparables sold from October 2020 to November 2021 for prices ranging from \$488,000 to \$650,000 or from \$300.31 to \$422.15 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables #1, #4 and #5, due to their lack of central air conditioning and/or a basement foundation when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from March 2020 to June 2021 for prices ranging from \$350,000 to \$650,000 or from \$170.73 to \$387.83 per square foot of living area, including land. The subject's assessment reflects a market value of \$530,938 or \$283.02 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
