

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald J. & Louise M. Kopstain  
DOCKET NO.: 21-04564.001-R-1  
PARCEL NO.: 06-23-308-069

The parties of record before the Property Tax Appeal Board are Donald J. & Louise M. Kopstain, the appellants, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,974  
**IMPR.:** \$82,345  
**TOTAL:** \$96,319

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 2,148 square feet of living area. The dwelling was constructed in 1993. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 404 square foot garage. The property has an approximately 9,240 square foot site and is located in Grayslake, Avon Deerfield Township, Lake County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located within .77 of a mile from the subject. The comparables have sites ranging in size from 8,533 to 9,222 square feet of land area that are improved with 2-story dwellings ranging in size from 1,834 to 2,344 square feet of living area. The dwellings were built from 1992 to 1995. The comparables have unfinished basements, central air conditioning and a garage ranging in size from 420 to 572

square feet of building area. Three comparables each have a fireplace. The comparables sold from March to October 2020 for prices ranging from \$245,000 to \$310,000 or from \$127.93 to \$133.59 per square foot of living area, including land.

Based on this evidence the appellants requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$96,319. The subject's assessment reflects a market value of \$289,681 or \$134.86 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within .21 of a mile from the subject. The comparables have sites ranging in size from 6,600 to 7,850 square feet of land area that are improved with what are described as 1-story or 2-story dwellings of vinyl siding exterior construction ranging in size from 2,087 to 2,294 square feet of living area. The dwellings were built from 1992 to 1994. The comparables have basements, each of which has finished area, central air conditioning, a fireplace, and an attached garage ranging in size from 400 to 420 square feet of building area. The comparables sold from November 2020 to November 2021 for prices ranging from \$305,000 to \$360,000 or from \$141.67 to \$167.60 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellants' comparables, due to their lack of finished basement area when compared to the subject. The Board finds the board of review's comparables have varying degrees of similarity to the subject. The best comparables sold from November 2020 to November 2021 for prices ranging from \$305,000 to \$360,000 or from \$141.67 to \$167.60 per square foot of living area, including land. The subject's assessment reflects a market value of \$289,681 or \$134.86 per square foot of living area, including land, which falls below the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is well supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
