

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Nancy Lane  
DOCKET NO.: 21-04573.001-R-1  
PARCEL NO.: 16-29-403-018

The parties of record before the Property Tax Appeal Board are Nancy Lane, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$74,001  
**IMPR.:** \$100,048  
**TOTAL:** \$174,049

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.75-story dwelling of brick exterior construction with 2,611 square feet of living area. The dwelling was constructed in 1915. Features of the home include a basement, that has finished area, and a detached 584 square foot garage. The property has an approximately 15,620 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .52 to .88 of a mile from the subject. The comparables have sites ranging in size from 7,501 to 45,002 square feet of land area that are improved with 1.75-story dwellings ranging in size from 2,104 to 2,303 square feet of living area. The dwellings were built from 1950 to 1955, with the home built in 1950 having a 1960 effective age. The comparables have basements, one of which has finished

area. Two comparables have central air conditioning, a fireplace and a 264 or a 576 square foot garage. The comparables sold from June 2020 to April 2021 for prices ranging from \$325,000 to \$494,500 or from \$141.55 to \$214.72 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$174,049. The subject's assessment reflects a market value of \$523,456 or \$200.48 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .16 to .91 of a mile from the subject. The comparables have sites ranging in size from 6,250 to 12,000 square feet of land area that are improved with 1.5-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 1,644 to 2,960 square feet of living area. The dwellings were built from 1910 to 1968, with a home built in 1956 having a 1978 effective age. The comparables have basements, two of which have finished area, central air conditioning, and an attached or detached garage ranging in size from 228 to 528 square feet of building area. Two comparables each have one or two fireplaces. The comparables sold from March 2020 to August 2021 for prices ranging from \$430,000 to \$737,500 or from \$249.16 to \$273.72 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration, none of which are particularly similar to the subject. Nevertheless, the Board gives less weight to the appellant's comparables #1 and #2, as well as the board of review's comparables #1, #2 and #3, due to their smaller dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from June 2020 to August 2021 for prices ranging from \$494,500 to \$737,500 or from \$214.72 to \$270.99 per square foot of living area, including land. The subject's assessment reflects a market value of \$523,456 or \$200.48 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record on a total market value basis but below the range on a per square foot basis. However, after considering adjustments to the best comparables for differences when compared to the subject, such as their central air conditioning, the Board finds the subject's lower per square foot estimated market value as reflected by its assessment is justified. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
