

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Natalie Cherco
DOCKET NO.: 21-04581.001-R-1
PARCEL NO.: 16-30-406-021

The parties of record before the Property Tax Appeal Board are Natalie Cherco, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$53,088
IMPR.: \$79,390
TOTAL: \$132,478

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a split-level dwelling of brick and wood siding exterior construction with 1,886 square feet of living area.¹ The dwelling was constructed in 1958. Features of the home include a lower level with finished area, central air conditioning and an attached 264 square foot garage. The property has an approximately 10,880 square foot site and is located in Deerfield, West Deerfield Township, Lake County

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales that are located from .04 to .73 of a mile from the subject. Two comparables have sites with 9,692 to 9,875 square feet of land area.

¹ The Board finds the best description of the subject's design was found in its PRC which contains a sketch depicting the dwelling to be a split-level home.

The comparables are reported to be improved with 1-story dwellings² ranging in size from 1,886 to 2,084 square feet of living area. The dwellings were built from 1956 to 1958. The comparables have central air conditioning and a garage ranging in size from 264 to 456 square feet of building area. Two comparables each have one fireplace. The comparables sold from June to December 2020 for prices ranging from \$300,000 to \$478,000 or from \$159.07 to \$231.37 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$132,478. The subject's assessment reflects a market value of \$398,430 or \$211.26 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located from .03 to .75 of a mile from the subject. The board of review's comparable #1 is the same property as the appellant's comparable #1, however the board of review reported a more recent sale. Three comparables have sites ranging in size from 9,120 to 12,800 square feet of land area that are improved with 1-story dwellings³ of brick and wood siding exterior construction containing 1,886 square feet of living area. The dwellings were built from 1956 to 1958. The comparables have central air conditioning and an attached 264 square foot garage. Three comparables each have one fireplace. The comparables sold from August 2020 to November 2021 for prices ranging from \$405,000 to \$495,000 or from \$214.74 to \$262.46 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration, one of which was submitted by both parties, however the board of review reported a more recent sale. The Board gives less weight to the appellant's comparables #2 and #4, due to their larger dwelling size when compared to the subject. The Board finds the parties' remaining comparables, which includes the parties' common comparable, have varying degrees of

³ Each of the board of review's comparables are located in the subject neighborhood which is described as "Deerfield PK Trilevel."

similarity to the subject. The best comparables sold from June 2020 to November 2021 for prices ranging from \$300,000 to \$495,000 or from \$159.07 to \$262.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$398,430 or \$211.26 square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
