

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Wiersema
DOCKET NO.: 21-04592.001-R-1
PARCEL NO.: 16-32-304-003

The parties of record before the Property Tax Appeal Board are John Wiersema, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$55,341
IMPR.: \$120,361
TOTAL: \$175,702

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and wood siding exterior construction with 2,306 square feet of living area. The dwelling was constructed in 1959. Features of the home include a basement, that has finished area, central air conditioning, two fireplaces and an attached 504 square foot garage. The property has an approximately 9,900 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .31 of a mile from the subject. The comparables have sites with 9,601 or 9,749 square feet of land area that are improved with 2-story dwellings ranging in size from 1,970 to 2,668 square feet of living area. The dwellings were built from 1959 to 1966, with a home built in 1960 having a 1965 effective age. The comparables have basements, two of which have finished area, central air

conditioning and a garage ranging in size from 252 to 600 square feet of building area. One comparable has a fireplace. The comparables sold in June or December 2020 for prices ranging from \$410,000 to \$535,000 or from \$197.71 to \$208.12 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$175,702. The subject's assessment reflects a market value of \$528,427 or \$229.15 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within .23 of a mile from the subject. The comparables have sites ranging in size from 9,000 to 9,900 square feet of land area that are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 2,236 to 2,722 square feet of living area. The dwellings were built in 1959. The comparables have basements, two of which have finished area, and an attached or detached garage ranging in size from 400 to 789 square feet of building area. Three comparables have central air conditioning and three comparables each have a fireplace. The comparables sold from January to November 2021 for prices ranging from \$560,000 to \$690,000 or from \$249.78 to \$291.46 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #3, as well as the board of review's comparable #3, due to their differences in dwelling size when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from June 2020 to November 2021 for prices ranging from \$527,500 to \$652,000 or from \$197.71 to \$291.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$528,427 or \$229.15 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
