

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mitchell Dolins
DOCKET NO.: 21-04605.001-R-1
PARCEL NO.: 16-33-201-069

The parties of record before the Property Tax Appeal Board are Mitchell Dolins, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$79,364
IMPR.: \$180,985
TOTAL: \$260,349

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 4,224 square feet of living area. The dwelling was constructed in 1977 but has a 1981 effective age. Features of the home include a basement, that has finished area, central air conditioning, two fireplaces, and an attached 748 square foot garage. The property has an approximately 19,900 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located from .73 of a mile to 1.50 miles from the subject. Two of the comparables have sites with 12,493 or 17,302 square feet of land area. The comparables are improved with 2-story dwellings ranging in size from 3,216 to 4,040 square feet of living area. The dwellings were built from 1957 to 1971, with the home built in 1957 having a 1979 effective age. The comparables have unfinished basements,

central air conditioning, a fireplace and a garage ranging in size from 462 to 588 square feet of building area. The comparables sold from May to September 2020 for prices ranging from \$535,000 to \$605,000 or from \$132.43 to \$174.35 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$260,349. The subject's assessment reflects a market value of \$783,005 or \$185.37 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located from .82 of a mile to 1.59 miles from the subject. The comparables have sites ranging in size from 28,280 to 34,650 square feet of land area that were reported to be improved with 1-story or 2-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,604 to 4,657 square feet of living area. The dwellings were built from 1955 to 1959, with the home built in 1955 having a 1979 effective age. The comparables have basements, one of which has finished area, central air conditioning, one or two fireplaces, and an attached or detached garage ranging in size from 484 to 1,288 square feet of building area. One comparable has a swimming pool. The comparables sold from March to October 2020 for prices ranging from \$552,500 to \$1,550,000 or from \$200.65 to \$332.83 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration, none of which are particularly similar to the subject. Nevertheless, the Board gives less weight to the appellant's comparable #1, due to the appellant's failure to disclose the site size for the comparable, which is necessary to determine its comparability to the subject. The Board also gives less weight to the board of review's comparable #2, due to its swimming pool feature when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from March to September 2020 for prices ranging from \$522,500 to \$844,000 or from \$167.13 to \$206.12 per square foot of living area, including land. The subject's assessment reflects a market value of \$783,005 or \$185.37 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
