

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Crider  
DOCKET NO.: 21-04646.001-R-1  
PARCEL NO.: 04-04-418-012

The parties of record before the Property Tax Appeal Board are Richard Crider, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$9,578  
**IMPR.:** \$70,213  
**TOTAL:** \$79,791

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,004 square feet of living area. The dwelling was constructed in 1997. Features of the home include an unfinished basement, central air conditioning, a fireplace and an attached 664 square foot garage. The property has a 17,690 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located from .24 of a mile to 1.61 miles from the subject. The comparables have sites ranging in size from 10,559 to 21,240 square feet of land area that are improved with 1-story dwellings ranging in size from 1,692 to 1,836 square feet of living area. The dwellings were built from 1967 to 1992. The comparables have unfinished basements, and a garage ranging in size from 513 to 676 square feet of building

area. Three comparables have central air conditioning and two comparables each have a fireplace. The comparables sold from January 2019 to June 2020 for prices ranging from \$160,000 to \$185,000 or from \$90.75 to \$101.95 per square foot of living area, including land. The appellant argued the subject, as well as an adjacent vacant site, should have a market value of \$212,424 or \$106.00 per square feet of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,791. The subject's assessment reflects a market value of \$239,973 or \$119.75 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales that are located within .73 of a mile from the subject. The comparables have sites ranging in size from 12,830 to 19,470 square feet of land area that are improved with 1-story dwellings of wood siding, vinyl siding or brick exterior construction ranging in size from 1,733 to 2,332 square feet of living area. The dwellings were built from 1989 to 2007. The comparables have unfinished basements, central air conditioning, a fireplace, and an attached garage ranging in size from 576 to 792 square feet of building area. The comparables sold from July 2020 to August 2021 for prices ranging from \$234,000 to \$335,000 or from \$128.22 to \$172.59 per square foot of living area, including land. The board of review argued three of the appellant's comparables sold in 2019 and each comparable has an older dwelling. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables, due to their lack of central air conditioning or their sale date occurring greater than 20 months prior to the January 1, 2021 assessment date at issue. The Board finds the board of review's comparables have varying degrees of similarity to the subject and also sold proximate in time to the January 1, 2021 assessment date at issue. The best comparables sold from July 2020 to August 2021 for prices ranging from \$234,000 to \$335,000 or from \$128.22 to \$172.59 per square foot of living area, including land. The subject's assessment reflects a market value of \$239,973 or \$119.75 per square foot of living area, including land, which falls within the range established by the best comparables in the record on a total market value basis but below the range on a per square foot basis. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
