

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Wendy Nora  
DOCKET NO.: 21-04746.001-R-1  
PARCEL NO.: 15-31-201-073

The parties of record before the Property Tax Appeal Board are Wendy Nora, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$45,799  
**IMPR.:** \$124,691  
**TOTAL:** \$170,490

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 2,905 square feet of living area. The dwelling was constructed in 1986. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 720 square foot garage. The property has a 40,100 square foot site and is located in Long Grove, Vernon Township, Lake County.

The appellant contends assessment inequity regarding the land assessment as the basis of the appeal. In support of this argument the appellant submitted information on twelve equity comparables located within the same assessment neighborhood code as the subject. The parcels range in size from 38,768 to 41,818 square feet of land area and have land assessments ranging from \$26,051 to \$42,118 or from \$0.62 to \$1.04 per square foot of land area. Based on this evidence the appellant requested a reduction in the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,490. The subject property has a land assessment of \$45,799 or \$1.14 per square foot of land area.

In support of its contention of the correct assessment the board of review submitted information on five equity comparables located within the same assessment neighborhood code as the subject. The parcels range in size from 39,200 to 81,340 square feet of land area and have land assessments ranging from \$41,692 to \$58,302 or from \$0.72 to \$1.14 per square foot of land area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity concerning the land assessment as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's land assessment is not warranted.

The record contains a total of seventeen land equity comparables for the Board's consideration. The Board gives less weight to the board of review's comparable #2, which is a substantially larger lot than the subject.

The Board finds the best evidence of land assessment equity to be the appellant's comparables and the board of review's comparables #1, #3, #4, and #5, which are similar to the subject in location and lot size. These comparables have land assessments that range from \$26,051 to \$50,256 or from \$0.62 to \$1.14 per square foot of land area. The subject's land assessment of \$45,799 or \$1.14 per square foot of land area falls within the range established by the best comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
