

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maksim Ilyukhin
DOCKET NO.: 21-04758.001-R-1
PARCEL NO.: 15-05-309-016

The parties of record before the Property Tax Appeal Board are Maksim Ilyukhin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,598
IMPR.: \$101,579
TOTAL: \$130,177

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,562 square feet of living area. The dwelling was constructed in 2002. Features of the home include a basement, that has finished area, central air conditioning, a fireplace and an attached 483 square foot garage. The property has an approximately 4,700 square foot site and is located in Indian Creek, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales that are located within .17 of a mile from the subject. The comparables have sites ranging in size from 4,984 to 5,109 square feet of land area that are improved with 2-story dwellings of frame construction ranging in size from 2,166 to 2,678 square feet of living area. The dwellings were built in 2002 or 2003. The comparables have basements, two of which have finished area, central air conditioning, and a

440 or a 483 square foot garage. Two comparables each have a fireplace. The comparables sold from April 2020 to April 2021 for prices ranging from \$315,000 to \$390,000 or from \$142.22 to \$145.63 per square foot of living area, including land. The appellant critiqued the comparables submitted to the Board.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$130,177. The subject's assessment reflects a market value of \$391,510 or \$152.81 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within .30 of a mile from the subject. The comparables have sites ranging in size from 4,900 to 5,990 square feet of land area that are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,508 to 2,692 square feet of living area. The dwellings were built in 2002 or 2004. The comparables have basements, three of which have finished area, central air conditioning, and an attached 440 or a 492 square foot garage. Two comparables each have a fireplace. The comparables sold in May or June 2021 for prices ranging from \$399,000 to \$420,000 or from \$152.35 to \$159.09 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, as well as the board of review's comparable #2, due to their smaller dwelling size and/or their lack of finished basement area when compared to the subject. The Board finds the parties' remaining comparables have varying degrees of similarity to the subject. The best comparables sold from April 2020 to June 2021 for prices ranging from \$380,000 to \$420,000 or from \$142.22 to \$159.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$391,510 or \$152.81 per square foot of living area, including land, which falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
