

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard Burke  
DOCKET NO.: 21-04761.001-R-1  
PARCEL NO.: 15-05-204-019

The parties of record before the Property Tax Appeal Board are Richard Burke, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$25,060  
**IMPR.:** \$104,040  
**TOTAL:** \$129,100

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,232 square feet of living area. The dwelling was constructed in 1977. Features of the subject include an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. The property has a 7,352 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.66 of a mile from the subject property. The comparables have sites that range in size from 7,000 to 13,574 square feet of land area. The comparables are improved with 2-story dwellings of frame exterior construction that containing either 2,170 or 2,232 square feet of living area that were built from 1977 to 1979. The appellant reported that each comparable has a basement, one with finished area. Each comparable has central air conditioning and a garage with either 420 or 441 square feet of building area. Two comparables each have a

fireplace. The comparables sold from June 2020 to April 2021 for prices ranging from \$330,000 to \$379,000 or from \$147.85 to \$169.80 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,100. The subject's assessment reflects a market value of \$388,271 or \$173.96 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.63 of a mile from the subject property. The comparables have sites that range in size from 6,500 to 10,040 square feet of land area. The comparables are improved with 2-story dwellings of wood siding exterior construction each containing 2,232 square feet of living area that were built in either 1977 or 1978. Each comparable has a basement, three with finished area. Each comparable has central air conditioning and a garage containing 441 square feet of building area. Three comparables each have a fireplace. The comparables sold from March to October 2021 for prices ranging from \$410,000 to \$445,000 or from \$183.69 to \$199.37 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains ten suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #2 due to its large lot size and less similar dwelling size when compared to the subject. The board gave reduced weight to the appellant's comparable #4 along with the board of review comparables #1, #3 and #4 due to their finished basement area, a feature the subject lacks.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3 and #5 along with the board of review comparables #2 and #5. The Board finds that these comparables are similar to the subject in location, age and features and identical to the subject in design and dwelling size. The comparables sold from July 2020 to November 2021 for prices ranging from \$330,000 to \$435,000 or from \$147.85 to \$194.89 per square foot of living area, including land. The subject's assessment reflects a market value of \$388,271 or \$173.96 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
