

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard White  
DOCKET NO.: 21-04763.001-R-1  
PARCEL NO.: 15-05-309-064

The parties of record before the Property Tax Appeal Board are Richard White, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$28,660  
**IMPR.:** \$109,566  
**TOTAL:** \$138,226

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,692 square feet of living area. The dwelling was constructed in 2003. Features of the subject include a basement with finished area, central air conditioning, a fireplace and a 440 square foot garage. The property has a 4,795 square foot site and is located in Indian Creek, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located in the same neighborhood code as the subject and within 0.26 of a mile from the subject property. The comparables are improved with 2-story dwellings of frame exterior construction that range in size from 2,166 to 2,678 square feet of living area that were built in 2002 or 2003. The appellant reported that each comparable has a basement, three with finished area. Each comparable has central air conditioning and a garage ranging in size from 440 to 493 square feet of building area. Three comparables each have a fireplace. The comparables sold from April 2020 to April 2021 for

prices ranging from \$315,000 to \$400,000 or from \$142.22 to \$149.70 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$138,226. The subject's assessment reflects a market value of \$415,717 or \$154.43 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject and are located within 0.18 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood siding exterior construction ranging in size from 2,672 to 2,692 square feet of living area that were built in 2003 or 2004. Each comparable has a basement, four with finished area, central air conditioning and a garage ranging in size from 440 to 493 square feet of building area. Four comparables each have a fireplace. The comparables sold from March to August 2021 for prices ranging from \$403,675 to \$420,000 or from \$151.08 to \$157.19 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #2 along with the board of review comparable #1 due to their considerably smaller dwelling size and/or their lack of basement finished area, a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1, #3 and #4 along with the board of review comparables #2 through #5. The Board finds that these comparables are similar to the subject in location, design, dwelling size, age and features. The comparables sold from April 2020 to August 2021 for prices ranging from \$380,000 to \$420,000 or from \$142.22 to \$156.02 per square foot of living area, including land. The subject's assessment reflects a market value of \$415,717 or \$154.43 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
