

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Srivamsi Rallabandi
DOCKET NO.: 21-04769.001-R-1
PARCEL NO.: 15-05-424-042

The parties of record before the Property Tax Appeal Board are Srivamsi Rallabandi, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds No Change in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,556
IMPR.: \$97,161
TOTAL: \$113,717

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of wood siding exterior construction with 1,437 square feet of living area. The dwelling was constructed in 1984. Features of the subject include a lower level, a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The property has a 7,070 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same neighborhood code as the subject and within 0.69 of a mile from the subject property. The comparables are improved with tri-level dwellings of frame exterior construction that range in size from 1,200 to 1,437 square feet of living area that were built from 1975 to 1984. The appellant reported that each comparable has a lower level and a basement, two with finished area. Each comparable has central air conditioning and a garage with either 441 or 483 square feet of building area. Two comparables each have a fireplace. The comparables sold from February to November 2020 for

prices ranging from \$240,000 to \$335,000 or from \$189.13 to \$279.17 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,717. The subject's assessment reflects a market value of \$342,006 or \$238.00 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales located in the same neighborhood code as the subject and within 0.61 of a mile from the subject property. The comparables are improved with tri-level dwellings of wood siding exterior construction ranging in size from 1,269 to 1,674 square feet of living area that were built from 1975 to 1984. Each comparable has a lower level, with two having a basement, one with finished area, central air conditioning, a fireplace and a garage with either 441 or 462 square feet of building area. The comparables sold from April 2020 to December 2021 for prices ranging from \$354,500 to \$425,000 or from \$229.09 to \$334.91 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparable #3 along with the board of review comparables #2, #4 and #5 due to their dissimilar dwelling size when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 along with the board of review comparables #1 and #3. The Board finds that these comparables are similar to the subject in location, design, dwelling size and features. The comparables sold from February 2020 to October 2021 for prices ranging from \$240,000 to \$425,000 or from \$189.13 to \$334.91 per square foot of living area, including land. The subject's assessment reflects a market value of \$342,006 or \$238.00 per square foot of living area, including land, which falls within the range established by the best comparable sales contained in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds no reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
