

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Bouchard  
DOCKET NO.: 21-04840.001-R-1  
PARCEL NO.: 13-11-300-274

The parties of record before the Property Tax Appeal Board are Paul Bouchard, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$8,187  
**IMPR.:** \$68,913  
**TOTAL:** \$77,100

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story condominium of frame exterior construction with 1,333 square feet of living area. The dwelling was constructed in 1979. Features of the condominium include a basement, that has finished area, central air conditioning, two fireplaces and a detached 242 square foot garage. The property has a 1,333 square foot site and is located in Lake Barrington, Cuba Township, Lake County.<sup>1</sup>

The appellant contends assessment inequity with respect to the subject's land as the basis of the appeal. In support of this argument the appellant submitted information on 12 comparable properties that are located within the same neighborhood code as the subject and within .55 of a

mile from the subject. The comparables have improved sites with 1,362 or 1,363 square feet of land area and have land assessments of \$4,094 or \$3.00 and \$3.01 per square foot of land area.

Based on this evidence the appellant requested a reduction in the subject's land assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$77,100. The subject property has a land assessment of \$8,187 or \$6.14 per square foot of land area.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties that are located within the same neighborhood code as the subject and two of which are located on the same street as the subject. The comparables have improved sites with 1,333 square feet of land area and have land assessments of \$8,187 or \$6.14 per square foot of land area.

The board of review critiqued both parties' comparables and argued the subject, as well as the board of review's comparables, have a superior golf course view but the appellant's comparables have a standard view. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 16 comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables, due to their lack of a superior golf course view when compared to the subject. The Board finds the board of review's comparables are similar to the subject in location and site size, as well as having a superior golf course view, when compared to the subject. The best comparables have sites with 1,333 square feet of land area and have land assessments of \$8,187 or \$6.14 per square foot of land area. The subject has a 1,333 square foot site and has a land assessment of \$8,187 or \$6.14 per square foot of land area, which is equal to the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the subject's land assessment is supported.

Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's land is inequitably assessed and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
