

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kazim Hasan
DOCKET NO.: 21-04896.001-R-1
PARCEL NO.: 07-35-405-110

The parties of record before the Property Tax Appeal Board are Kazim Hasan, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,492
IMPR.: \$47,811
TOTAL: \$54,303

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story residential condominium unit of wood siding exterior construction with 1,452 square feet of living area.¹ The condominium unit was constructed in 2001. Features of the home include a concrete slab foundation, central air conditioning, 2.5 bathrooms, a fireplace and a 420 garage. The property is located in Waukegan, Warren Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on 12 equity comparables that have the same assessment neighborhood code as the subject and are located

¹ The Board finds the best description of the subject is found in the subject's property record card provided by the board of review, which disclosed the subject was improved with a two-story condominium unit that has a concrete slab foundation.

within .25 of a mile from the subject property. The appellant reported the comparables are improved with two-story dwellings of wood frame exterior construction, each containing 1,452 square feet of living area. The dwellings were built in 2000 or 2001. Each comparable has central air conditioning, 2 or 2.5 bathrooms and a 420 square foot garage. The comparables have improvement assessments ranging from \$45,899 to \$46,310 or from \$31.61 to \$31.89 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$45,941 or \$31.64 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$54,303. The subject property has an improvement assessment of \$47,811 or \$32.93 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on five equity comparables that have the same assessment neighborhood code as the subject and are located within .19 of a mile from the subject property. The comparables are improved with two-story condominium units of wood siding exterior construction, each containing 1,452 square feet of living area. The condominium units were built in 2001 or 2002. Each comparable has a concrete slab foundation, central air conditioning, 2.5 bathrooms and a 420 square foot garage. Four comparables each have a fireplace. The comparables have improvement assessments ranging from \$46,726 to \$48,379 or from \$32.18 to \$33.32 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 17 suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables, as well as board of review comparable #5 which differ from the subject in that they lack a fireplace and/or have a fewer number of bathrooms.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, #3 and #4, which are similar to the subject in location and age, and identical to the subject in dwelling size, design and features. These best comparables have improvement assessments of \$47,811 and \$48,379 or \$32.93 and \$33.32 per square foot living area. The subject's improvement assessment of \$47,811 or \$32.93 per square foot of living area appears to be well supported by the best comparables in the record given it falls below two of the comparables and is identical to two of the comparables. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
