

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Raudel Ponce  
DOCKET NO.: 21-04920.001-R-1  
PARCEL NO.: 06-30-206-004

The parties of record before the Property Tax Appeal Board are Raudel Ponce, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds *No Change* in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,760  
**IMPR.:** \$58,518  
**TOTAL:** \$70,278

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 1,663 square feet of living area. The dwelling was constructed in 1995. Features of the home include a basement with finished area,<sup>1</sup> central air conditioning, a fireplace and a garage with 620 square feet of building area. The property has an approximately 10,020 square foot site and is located in Round Lake, Avon Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on twelve suggested equity comparables located in the same assessment neighborhood code as the subject and located within 0.35 of a mile from the subject property. The comparables are improved with 2-story dwellings with either 1,663 or 1,741 square feet of living area. The dwellings were built from 1994 to 2000. Each

<sup>1</sup> The Board found the best description of the subject basement was found in the property record card, provided by board of review, disclosing that the subject has an 862 square foot basement with a 690 square foot recreational room.

comparable has an unfinished basement and a garage with either 420 or 720 square feet of building area. Nine comparables have central air conditioning and seven comparables each have a fireplace. The comparables have improvement assessment ranging from \$51,090 to \$57,672 or from \$30.72 to \$33.19 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$54,995 or \$33.07 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,278. The subject property has an improvement assessment of \$58,518 or \$35.19 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on five suggested equity comparables that are in the same assessment neighborhood code as the subject and located within 0.31 of a mile from the subject property. The comparables are improved with 2-story dwellings of vinyl siding exterior construction ranging in size from 1,663 to 1,739 square feet of living area. The dwellings were built from 2001 to 2004. Each comparable has a basement with finished area, central air conditioning and a garage with either 420 or 620 square feet of building area. Three comparables each have a fireplace. The comparables have improvement assessments ranging from \$58,446 to \$62,276 or from \$35.14 to \$36.02 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seventeen suggested comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1, #5 and #11 due to their lack of central air conditioning when compared to the subject.

The Board finds the best evidence of assessment to be the appellant's comparable #2, #3, #4, #6, #7, #8, #9, #10 and #12 along with the board of review comparables which are relatively similar to the subject in location, design, dwelling size, age and features. These most similar comparables have improvement assessments ranging from \$51,090 to \$62,276 or from \$30.72 to \$36.02 per square foot of living area. The subject property has an improvement assessment of \$58,518 or \$35.19 per square foot of living area falls within the best comparables in the record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
