

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ju Il Yoo  
DOCKET NO.: 21-04930.001-R-1  
PARCEL NO.: 15-16-312-021

The parties of record before the Property Tax Appeal Board are Ju Il Yoo, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$48,250  
**IMPR.:** \$137,850  
**TOTAL:** \$186,100

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of wood siding exterior construction with 2,963 square feet of living area. The dwelling was constructed in 1991. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 693 square foot garage. The property has a 17,790 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.26 of a mile from the subject. The parcels range in size from 15,830 to 21,206 square feet of land area and are improved with 2-story homes of frame exterior construction ranging in size from 2,963 to 3,017 square feet of living area. The dwellings were built from 1990 to 1992. Each home has a basement, three of which have finished area, central air conditioning, and a 441 or 693 square

foot garage. Three homes each have a fireplace. The comparables sold from August 2020 to May 2021 for prices ranging from \$465,000 to \$585,000 or from \$154.13 to \$193.90 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment to \$184,675 which would reflect a market value of \$554,080 or \$187.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$186,100. The subject's assessment reflects a market value of \$559,699 or \$188.90 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales where comparable #2 is the same property as the appellant's comparable #4. The comparables are located within 0.80 of a mile from the subject. The parcels range in size from 15,050 to 41,120 square feet of land area and are improved with 2-story homes of wood siding exterior construction ranging in size from 2,790 to 3,017 square feet of living area. The dwellings were built from 1989 to 1992. Each home has a basement, four of which are reported to have finished area,<sup>1</sup> central air conditioning, and a garage ranging in size from 441 to 765 square feet of building area. Four homes each have a fireplace. The comparables sold from August 2020 to July 2021 for prices ranging from \$548,500 to \$651,000 or from \$191.98 to \$217.07 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales, with one common sale, for the Board's consideration. The Board gives less weight to the board of review's comparable #4, which has a significantly larger site size than the subject.

The Board finds the best evidence of market value to be the remaining comparables, including the common comparable, which are similar to the subject in dwelling size, age, location, site size, and some features. These most similar comparables sold from August 2020 to July 2021 for prices ranging from \$465,000 to \$651,000 or from \$154.13 to 217.07 per square foot of living area, including land. The subject's assessment reflects a market value of \$559,699 or

---

<sup>1</sup> The appellant reported that the parties' common comparable has finished basement area.

\$188.90 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
