

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Keith Hamann
DOCKET NO.: 21-04943.001-R-1
PARCEL NO.: 15-20-404-012

The parties of record before the Property Tax Appeal Board are Keith Hamann, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,716
IMPR.: \$124,128
TOTAL: \$161,844

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 2,517 square feet of living area. The dwelling was constructed in 1990. Features of the home include an unfinished basement, central air conditioning, and a garage containing 420 square feet of building area. The property has an approximately 14,870 square foot site and is located in Buffalo Grove, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .96 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,517 to 2,549 square feet of living area. The homes were built from 1988 to 1991, with comparable #1 having an effective age of 1991. Each dwelling has central air conditioning, an unfinished basement, and a garage

containing 420 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 10,006 to 16,262 square feet of land area. The comparables sold from May to December 2020 for prices ranging from \$460,000 to \$520,000 or from \$181.60 to \$204.50 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$159,394, for an estimated market value of \$478,230 or \$190.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$161,844. The subject's assessment reflects a market value of \$486,749 or \$193.38 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within .96 of a mile of the subject, two of which are in the subject's assessment neighborhood. Comparables #1 and #2 are the same properties as appellant's comparables #3 and #4, respectively. The comparables consist of two-story dwellings of wood siding exterior construction ranging in size from 2,387 to 2,853 square feet of living area. The dwellings were built from 1988 to 1995, with comparable #4 having an effective age of 1991. Each dwelling has a basement with two having finished area, and a garage ranging in size from 420 to 660 square feet of building area. Four comparables have central air conditioning, four comparables each have one or two fireplaces, and comparable #5 has an inground swimming pool. The parcels range in size from 10,580 to 16,260 square feet of land area. The comparables sold from July 2020 to August 2021 for prices ranging from \$515,000 to \$560,000 or from \$196.28 to \$226.23 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board, with two comparables being common to the parties. The Board gives less weight to board of review comparables #3 through #5 due to their finished basements, inground swimming pool, and/or lack of central air conditioning when compared to the subject.

The Board finds the best evidence of market value to be the appellant's comparable sales and board of review comparable sales #1 and #2, the common comparables. These most similar comparables sold for prices ranging from \$460,000 to \$520,000 or from \$181.60 to \$204.50 per square foot of living area, including land. The subject's assessment reflects a market value of

\$486,749 or \$193.38 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
