

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Amit Das
DOCKET NO.: 21-04959.001-R-1
PARCEL NO.: 15-09-103-004

The parties of record before the Property Tax Appeal Board are Amit Das, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,583
IMPR.: \$86,589
TOTAL: \$110,172

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level style dwelling of wood siding exterior construction with 1,250 square feet of above grade living area. The dwelling was constructed in 1976. Features of the home include a lower level with finished area, central air conditioning, one fireplace and a 506 square foot garage. The property has an approximately 8,610 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable properties, four of which have recent sales. Comparable #4 has no recent sale information and therefore shall not be discussed or analyzed any further. The four comparable sales are located within 0.57 of a mile from the subject property, have sites that range in size from 6,900 to 7,777 square feet of land area and are improved with split-level style dwellings of frame exterior construction that range in size from

1,200 to 1,437 square feet of above grade living area. The dwellings were built from 1977 to 1983. Each comparable has a lower level with finished area, central air conditioning and a garage with either 441 or 483 square feet of building area. Three comparables each have one fireplace. The properties sold from March to June 2020 for prices ranging from \$260,000 to \$299,000 or from \$201.55 to \$249.17 per square foot of above grade living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$96,240 which reflects a market value of \$288,749 or \$231.00 per square foot of above grade living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$110,172. The subject's assessment reflects a market value of \$331,344 or \$265.08 per square foot of above grade living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.65 of a mile from the subject property. The comparables have sites that range in size from 8,910 to 11,810 square feet of land area and are improved with tri-level style dwellings of wood siding exterior construction that range in size from 1,200 to 1,269 square feet of above grade living area. The homes were built from 1976 to 1984. Each comparable has a lower level three of which have finished area. Each dwelling has central air conditioning, one fireplace and a garage ranging in size from 441 to 506 square feet of building area. The properties sold from August 2020 to October 2021 for prices ranging from \$334,500 to \$425,000 or from \$267.60 to \$334.91 per square foot of above grade living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration, as one property lacked any sale information. The Board gives less weight to appellant comparable #3 and board of review comparables #4 and #5 which differ from the subject in dwelling size and/or have an unfinished lower level.

The Board finds the best evidence of market value to be appellant comparables #1, #2 and #5 along with board of review comparables #1, #2 and #3 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from March 2020 to April 2021 for prices ranging from \$260,000 to \$370,000 or from \$201.55 to \$296.00 per square foot of above grade living area, including land. The subject's assessment reflects a market value of \$331,344 or \$265.08 per square foot of above grade living area, including land,

which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
