

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pawan Sunkesula
DOCKET NO.: 21-04964.001-R-1
PARCEL NO.: 15-09-107-019

The parties of record before the Property Tax Appeal Board are Pawan Sunkesula, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$38,002
IMPR.: \$139,647
TOTAL: \$177,649

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,693 square feet of living area. The dwelling was constructed in 1991. Features of the home include an unfinished basement, central air conditioning, a fireplace and a 441 square foot garage. The property has an approximately 14,910 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.26 of a mile from the subject property. The comparables have sites that range in size from 14,281 to 19,089 square feet of land area and are improved with two-story dwellings of frame exterior construction that range in size from 2,481 to 3,044 square feet of living area. The dwellings were built from 1989 to 1991. Each comparable has a basement with one having finished area. Each dwelling has

central air conditioning, one fireplace and either a 441 or 690 square foot garage. The properties sold from April to September 2020 for prices ranging from \$455,000 to \$545,000 or from \$149.47 to \$199.52 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$173,232 which reflects a market value of \$519,748 or \$193.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$177,649. The subject's assessment reflects a market value of \$534,283 or \$198.40 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.30 of a mile from the subject property. The comparables have sites that range in size from 12,160 to 18,670 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,670 to 3,060 square feet of living area. The homes were built in 1989 or 1991. Each comparable has a basement with two having finished area. Each dwelling has central air conditioning, a fireplace and a garage ranging in size from 441 to 690 square feet of building area. The properties sold from May 2020 to June 2021 for prices ranging from \$550,000 to \$625,000 or from \$199.38 to \$218.37 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to appellant comparable #2 and board of review comparables #1, #3 and #5 which have finished basement area, a larger site size and/or a larger garage size when compared to the subject.

The Board finds the best evidence of market value to be appellant comparables #1 and #3 along with board of review comparables #2 and #4 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from April 2020 to June 2021 for prices ranging from \$455,000 to \$625,000 or from \$149.47 to \$204.25 per square foot of living area, including land. The subject's assessment reflects a market value of \$534,283 or \$198.40 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
