

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sandeep Makker
DOCKET NO.: 21-04970.001-R-1
PARCEL NO.: 15-09-105-013

The parties of record before the Property Tax Appeal Board are Sandeep Makker, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,156
IMPR.: \$147,673
TOTAL: \$183,829

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of wood siding exterior construction with 2,662 square feet of living area. The dwelling was constructed in 1990. Features of the home include a basement with finished area, central air conditioning, a fireplace and a 441 square foot garage. The property has an approximately 14,990 square foot site and is located in Vernon Hills, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four properties, three of which have recent sale information. Comparable #1 lacks any recent sale information and shall not be further analyzed or discussed. The three comparable sales are located within 0.36 of a mile from the subject property and have sites that range in size from 11,900 to 12,726 square feet of land area. The comparable sites are improved with two-story dwellings of frame exterior construction ranging in size from 2,481 to

2,884 square feet of living area. The dwellings were built in either 1989 or 1991. Each comparable has a basement with one having finished area. Each dwelling has central air conditioning, one fireplace and a 441 or 462 square foot garage. The properties sold from May to September 2020 for prices ranging from \$505,000 to \$575,000 or from \$199.38 to \$205.99 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$180,998 which reflects a market value of \$543,048 or \$204.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$183,829. The subject's assessment reflects a market value of \$552,869 or \$207.69 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within 0.62 of a mile from the subject property. Board of review comparable #3 is the same property as the appellant's comparable #4. The comparables have sites that range in size from 8,280 to 18,670 square feet of land area and are improved with two-story dwellings of wood siding exterior construction that range in size from 2,670 to 2,740 square feet of living area. The homes were built in 1991 or 1998. Each comparable has a basement with four having finished area. Each dwelling has central air conditioning and a garage ranging in size from 440 to 690 square feet of building area. Four comparables each have one fireplace. The properties sold from May 2020 to July 2021 for prices ranging from \$550,000 to \$585,000 or from \$205.99 to \$218.61 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains seven comparable sales for the Board's consideration, as one property lacks recent sale information, and one property was common to both parties. The Board gives less weight to appellant comparables #2 and #3 along with board of review comparables #2, #4 and #5 which have an unfinished basement and/or differ from the subject in site size.

The Board finds the best evidence of market value to be appellant comparable #4 and board of review comparables #1 and #3, including the common property, which are more similar to the subject in location, age, design, dwelling size, site size and other features. These two best comparables sold in May and October 2020 for prices of \$550,000 and \$585,000 or for \$205.99 and \$218.37 per square foot of living area, including land. The subject's assessment reflects a market value of \$552,869 or \$207.69 per square foot of living area, including land, which is

bracketed by the two best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
