

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Christina Acampora
DOCKET NO.: 21-04984.001-R-1
PARCEL NO.: 15-13-102-010

The parties of record before the Property Tax Appeal Board are Christina Acampora, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$70,464
IMPR.: \$146,589
TOTAL: \$217,053

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick exterior construction with 2,908 square feet of living area. The dwelling was constructed in 1981. Features of the home include a basement, central air conditioning, a fireplace and a 552 square foot garage. The property has an approximately 21,390 square foot site and is located in Lincolnshire, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.49 of a mile from the subject property. The comparables have sites that range in size from 20,754 to 23,398 square feet of land area and are improved with two-story dwellings of brick or brick and frame exterior construction ranging in size from 2,633 to 3,430 square feet of living area. The dwellings were

built from 1978 to 1984. Each comparable has a basement with finished area,¹ central air conditioning, one fireplace and a garage ranging in size from 214 to 804 square feet of building area. The properties sold from April to July 2020 for prices ranging from \$600,000 to \$696,000 or from \$174.93 to \$233.57 per square foot of living area, land included.

The appellant also submitted copies of the Multiple Listing Service (MLS) sheets on each of its comparables. The MLS sheets depict each dwelling to have a finished basement and are further described as having been rehabbed in 2010, 2020 and 2017, respectively. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$195,786 which reflects a market value of \$587,417 or \$202.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$217,053. The subject's assessment reflects a market value of \$652,791 or \$224.48 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.37 of a mile from the subject property. The comparables have sites that range in size from 20,160 to 31,940 square feet of land area and are improved with two-story dwellings of brick, wood siding or brick and wood siding exterior construction ranging in size from 2,836 to 3,031 square feet of living area. The homes were built from 1979 to 1987. Each comparable has a basement with three having finished area. Each dwelling has central air conditioning, a fireplace and a garage ranging in size from 400 to 832 square feet of building area. The properties sold from May 2020 to August 2021 for prices ranging from \$699,000 to \$750,000 or from \$230.95 to \$253.88 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to appellant comparable #1 which is less similar to the subject in dwelling size than other comparables in the record.

¹ The appellant submitted copies of the Multiple Listing Service (MLS) sheets for its comparables which depict each to have finished basement area.

The Board finds the best evidence of market value to be appellant comparables #2 and #3 along with board of review comparables which are more similar to the subject in location, age, design, dwelling size and other features. These comparables sold from May 2020 to August 2021 for prices ranging from \$615,000 to \$750,000 or from \$222.01 to \$253.88 per square foot of living area, including land. The subject's assessment reflects a market value of \$652,791 or \$224.48 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
