

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Deann Baseley
DOCKET NO.: 21-05109.001-R-1
PARCEL NO.: 04-21-114-002

The parties of record before the Property Tax Appeal Board are Deann Baseley, the appellant, by attorney Ronald Kingsley of Lake County Real Estate Tax Appeal, LLC in Lake Forest; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,825
IMPR.: \$30,773
TOTAL: \$36,598

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of wood siding exterior construction with 1,014 square feet of living area.¹ The dwelling was constructed in 1965. Features of the home include a basement and a 528 square foot garage. The property has an approximately 10,635 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on 12 equity comparables that have the same assessment neighborhood code as the subject and are located within .81 of a mile from the subject. The comparables are improved with one-story dwellings ranging in size from 1,040 to 1,064 square feet of living area. The dwellings were built from

¹ The subject's property record card provided by the board of review disclosed the subject dwelling has a wood siding exterior construction, which was not refuted by the appellant.

1948 to 1962. Each comparable has a basement and a garage ranging in size from 352 to 528 square feet of building area. Four comparables have central air conditioning. The comparables have improvement assessments ranging from \$24,829 to \$27,980 or from \$23.68 to \$26.90 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$25,619 or \$25.27 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$36,598. The subject property has an improvement assessment of \$30,773 or \$30.35 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on six equity comparables that have the same assessment neighborhood code as the subject and are located within .87 of a mile from the subject property. The comparables are improved with one-story dwellings of wood siding or aluminum siding exterior construction ranging in size from 988 to 1,064 square feet of living area. The dwellings were built from 1961 to 1970. Each comparable has a basement and a garage ranging in size from 480 to 624 square feet of building area. Three comparables have central air conditioning and two comparables each have a fireplace. The comparables have improvement assessments ranging from \$31,523 to \$32,480 or from \$30.53 to \$31.91 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 18 suggested equity comparables for the Board's consideration. The Board has given less weight to the appellant's comparables #1 through #10, as well as board of review comparables #3, #4 and #6 which differ from the subject in age and/or have central air conditioning, not a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #11 and #12, along with board of review comparables #1, #2 and #5, which are overall more similar to the subject in dwelling size, design, age and some features. The comparables have improvement assessments that range from \$25,193 to \$32,072 or from \$23.68 to \$31.91 per square foot of living area. The subject's improvement assessment of \$30,773 or \$30.35 per square foot of living area falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
