

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: 515 E Blodgett Ave, LLC  
DOCKET NO.: 21-05270.001-R-1  
PARCEL NO.: 12-21-202-010

The parties of record before the Property Tax Appeal Board are 515 E Blodgett Ave, LLC, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$145,295  
**IMPR.:** \$48,943  
**TOTAL:** \$194,238

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board for the prior tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,094 square feet of living area. The dwelling was constructed in 1956 and is approximately 65 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 462 square foot garage. The property has an approximately 15,176 square foot site and is located in Lake Bluff, Shields Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.6 of a mile from the subject. The parcels range in size from 6,250 to 11,617 square feet of land area and are improved with 1-story homes of brick or wood siding exterior construction ranging in size from 1,158 to 1,993 square feet of living area. The dwellings range in age from 60 to 93 years old. Three homes each have a basement, one of which has finished area, and one home has a concrete

slab foundation. Each home has one or two fireplaces and a garage ranging in size from 242 to 528 square feet of building area. Three homes each have central air conditioning. The comparables sold from January 2018 to January 2020 for prices ranging from \$270,000 to \$495,000 or from \$214.46 to \$265.03 per square foot of living area, including land.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$194,238. The subject's assessment reflects a market value of \$584,174 or \$278.98 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Lake County of 33.25% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located from 0.38 to 0.95 of a mile from the subject. The parcels range in size from 6,250 to 20,190 square feet of land area and are improved with 1-story homes of wood siding or wood siding and brick exterior construction ranging in size from 1,456 to 2,210 square feet of living area. The dwellings were built from 1950 to 1982. Four homes each have a basement, three of which have finished area, and one home has a crawl space foundation. Each home has central air conditioning and a garage ranging in size from 308 to 528 square feet of building area. Four homes each have one or two fireplaces. The comparables sold from March to December 2021 for prices ranging from \$584,250 to \$725,000 or from \$291.92 to \$415.52 per square foot of living area, including land.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #4 and #5, due to substantial differences from the subject in dwelling size and/or which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the board of review's comparables #1, #2, and #3, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, location, and some features, but have varying degrees of similarity to the subject in site size, age, foundation type, and basement finish, suggesting adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices of \$625,000 and \$725,000 or from \$291.92 to \$328.05 per square foot of living area, including land. The subject's assessment reflects a market value of

\$584,174 or \$278.98 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
