

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jennifer Orin
DOCKET NO.: 21-05292.001-R-1
PARCEL NO.: 15-19-430-007

The parties of record before the Property Tax Appeal Board are Jennifer Orin, the appellant; and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,905
IMPR.: \$65,620
TOTAL: \$81,525

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,446 square feet of living area. The dwelling was constructed in 1965 and is approximately 56 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace, and a garage containing 568 square feet of building area. The property has a 19,602 square foot site and is located in Aurora, Aurora Township, Kane County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within three blocks of the subject and within the same assessment neighborhood as the subject. The comparables consist of 1-story dwellings of brick or brick and stone exterior construction ranging in size from 2,202 to 2,480 square feet of living area. The homes are 45 to 60 years old. Each dwelling has central air conditioning, a fireplace, and a garage ranging in size from 462 to 624 square feet of building area. Three comparables each have a basement, with one having finished area. The parcels

contain either 11,700 or 12,600 square feet of land area. The comparables sold from April 2018 to December 2019 for prices ranging from \$185,000 to \$221,000 or from \$78.63 to \$99.45 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$75,003, for an estimated market value of \$225,032 or \$92.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,525. The subject's assessment reflects a market value of \$244,599 or \$100.00 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Kane County of 33.33% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .31 of a mile of the subject. The comparables consist of 1-story or 1.5-story dwellings of frame or masonry exterior construction ranging in size from 1,725 to 2,824 square feet of living area. The dwellings were built from 1958 to 1987. Each dwelling has central air conditioning, a fireplace, an unfinished basement, and a garage ranging in size from 402 to 660 square feet of building area. The parcels range in size from approximately 11,761 to 40,511 square feet of land area. The comparables sold from December 2019 to August 2020 for prices ranging from \$276,000 to \$320,000 or from \$111.54 to \$167.54 per square foot of living area, including land. The board of review also submitted an equity grid analysis,¹ maps depicting the location of the appellant's comparables as well as the board of review's sales and equity comparables, and an Illinois Real Estate Transfer Declaration PTAX-203 for appellant comparable #2/board of review equity comparable #1. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to appellant's comparables #2 and #3 due to their finished basement area or dissimilar foundation when compared to the subject, as well as their less proximate sale dates for valuation as of January 1, 2021. The Board also gives reduced weight to board of review comparables #3 and #4 due to differences in age, dwelling size, and/or design as compared to the subject.

The Board finds the best evidence of market value to be appellant's comparable sale #1 and board of review comparable sales #1 and #2, which are similar to the subject in age, location,

¹ The Board finds that the submission of equity comparables is not responsive to the appellant's market value claim, and the equity evidence presented by the board of review will not be further analyzed on this record.

dwelling size, and features. These most similar comparables sold for prices ranging from \$185,000 to \$320,000 or from \$84.01 to \$130.56 per square foot of living area, including land. The subject's assessment reflects a market value of \$244,599 or \$100.00 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
