

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Yakov Klyachenko
DOCKET NO.: 21-05603.001-R-1
PARCEL NO.: 09-23-200-012

The parties of record before the Property Tax Appeal Board are Yakov Klyachenko, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Kane County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a Reduction** in the assessment of the property as established by the **Kane** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$100,222
IMPR.: \$58,096
TOTAL: \$158,318

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Kane County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame exterior construction with 3,002 square feet of living area. The dwelling was constructed in 1958. Features of the home include a basement with finished area, central air conditioning, two fireplaces, and a garage containing 578 square feet of building area. The property has an approximately 174,000 square foot site and is located in St. Charles, St. Charles Township, Kane County.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased in April 2020 for a price of \$475,000. The appellant reported that the seller was the John Paul Doetch and Darcy Anne Doetch Trust, the parties to the transaction were not related, and the property was sold through a realtor. The appellant also indicated the property was advertised for sale through the Multiple Listing Service for a period of 221 days. In further support of the appeal, the appellant submitted

a copy of the Multiple Listing Service sheet, the PTAX-203 Real Estate Transfer Declaration, and settlement statement which list the sale price of \$475,000, a settlement date of April 8, 2020, and depict commissions being distributed to Baird and Warner. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$170,370. The subject's assessment reflects a market value of \$511,161 or \$170.27 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Kane County of 33.33% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparables consist of one-story dwellings of frame or brick exterior construction ranging in size from 2,568 to 3,517 square feet of living area. The dwellings were built from 1933 to 1957. Each dwelling has central air conditioning, one to three fireplaces, and a garage ranging in size from 482 to 1,018 square feet of building area. The parcels range in size from 145,490 to 372,438 square feet of land area. Two comparables have unfinished basements and two comparables have crawl-space foundations. The comparables sold from April 2019 to April 2020 for prices ranging from \$472,800 to \$580,000 or from \$160.65 to \$209.61 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight as it did not dispute the arm's length nature of the subject's sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April 2020 for a price of \$475,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market with the Multiple Listing Service and it had been on the market for 221 days. In further support of the transaction the appellant submitted a copy of the settlement statement and the PTAX-203 Illinois Real Estate Transfer Declaration. The Board finds the purchase price is below the market value reflected by the assessment.

The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. The Board gives little weight to the comparables submitted by the board of

review, three of which sold in 2019 and are thus less indicative of market value as of January 1, 2021. These sales do not overcome the subject's arm's length sale price.

Based on this record the Board finds the subject property is overvalued and a reduction in its assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
