

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Victoria Wiencek  
DOCKET NO.: 21-05683.001-R-1  
PARCEL NO.: 11-04-06-204-002-0000

The parties of record before the Property Tax Appeal Board are Victoria Wiencek, the appellant, by Mary Kate Gorman, Attorney at Law in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will County Board of Review** is warranted. The correct assessed valuation of the property is:

**LAND:** \$18,370  
**IMPR.:** \$55,459  
**TOTAL:** \$73,829

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of frame and masonry exterior construction with 1,536 square feet of living area. The dwelling was constructed in 1990. Features of the home include a partial basement, central air conditioning, one fireplace and a 420 square foot, 2-car garage. The property has an approximately 6,928 square foot site and is located in Plainfield, Lockport Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.30 of a mile from the subject property. The comparables have sites that range in size from 2,337 to 2,613 square feet of land area and are improved with one-story dwellings of vinyl siding or brick and vinyl siding exterior construction each with 1,416 square feet of living area<sup>1</sup> and built in 1999. Each

comparable has central air conditioning and a 2-car garage. The properties sold from February to August 2020 for prices ranging from \$193,500 to \$200,000 or from \$136.65 to \$141.24 per square foot of living area, land included.<sup>2</sup> Based on this evidence, the appellant requested the subject's total assessment be reduced to \$65,382 which reflects a market value of \$196,166 or \$127.71 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,829. The subject's assessment reflects a market value of \$221,443 or \$144.17 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for Will County of 33.34% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located in the same neighborhood as the subject property. The comparables have sites that range in size from 6,531 to 11,063 square feet of land area and are improved with one-story dwellings of frame and masonry exterior construction that range in size from 1,460 to 1,543 square feet of living area. The homes were built in 1989 or 1990. Each comparable has a partial basement, central air conditioning and a 420 or 441 square foot garage. One dwelling has a fireplace. The properties sold from August 2019 to April 2021 for prices ranging from \$260,000 to \$290,000 or from \$168.50 to \$189.73 per square foot of living area, land included.

In written comments the Lockport Township Assessor critiqued the appellant's comparables asserting the properties lack basements in contrast to the subject's partial basement foundation. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which differ in foundation type when compared to the subject. The Board gives less weight to board of review comparable #4 which sold in 2019, less proximate to the January 1, 2021 assessment date than other properties in the record.

The Board finds the best evidence of market value to be board of review comparables #1, #2 and #3 which sold proximate to the assessment date at issue in this appeal and are similar to the subject in location, age, design, dwelling size and other features. These comparables sold from

August 2020 to April 2021 for prices ranging from \$260,000 to \$290,000 or from \$168.50 to \$188.80 per square foot of living area, including land. The subject's assessment reflects a market value of \$221,433 or \$144.17 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
