

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Bishop
DOCKET NO.: 21-05687.001-R-1
PARCEL NO.: 19-09-12-203-014-0000

The parties of record before the Property Tax Appeal Board are Mary Bishop, the appellant, by Mary Kate Gorman, Attorney at Law in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Will County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,765
IMPR.: \$103,907
TOTAL: \$125,672

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,368 square feet of living area. The dwelling was constructed in 2004. Features of the home include a basement, central air conditioning, a fireplace, and a 735 square foot 3-car garage. The property has an approximately 11,050 square foot site and is located in Tinley Park, Frankfort Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.41 of a mile from the subject. The parcels range in size from 10,454 to 16,117 square feet of land area and are improved with 2-story homes of brick exterior construction ranging in size from 2,848 to 3,967

square feet of living area.¹ The dwellings are 15 or 20 years old. Each home has a basement, central air conditioning, one or two fireplaces, and a 3-car or a 3.5-car garage. The comparables sold from January to July 2020 for prices of \$335,000 and \$348,000 or from \$87.72 to \$117.63 per square foot of living area, including land.

Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$125,672. The subject's assessment reflects a market value of \$376,941 or \$111.92 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Will County of 33.34% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on six comparable sales, together with a grid analysis of the appellant's comparables, property record cards for both parties' comparables, and a map depicting the locations of the parties' comparables in relation to the subject. The board of review's comparables are improved with 2-story homes of brick exterior construction ranging in size from 3,014 to 3,494 square feet of living area. The dwellings were built from 2002 to 2005. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 697 to 786 square feet of building area. The parcels range in size from 11,051 to 13,734 square feet of land area. Comparables #4 and #5 each have an inground swimming pool. The comparables sold from May 2020 to January 2021 for prices ranging from \$378,000 to \$455,000 or from \$111.62 to \$150.96 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of nine comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3, due to substantial differences from the subject in dwelling size, and to the board of review's comparables #4 and #5, which each have an inground swimming pool unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparables #1, #2, #3, and #6, which are similar to the subject in dwelling

¹ The parties differ regarding the dwelling sizes of comparables #1 and #3. The Board finds the best evidence of the appellant's comparables' features and amenities is found in their property record cards presented by the board of review, which were not refuted by the appellant in written rebuttal.

size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$335,000 to \$409,000 or from \$102.57 to \$125.04 per square foot of living area, including land. The subject's assessment reflects a market value of \$376,941 or \$111.92 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
