

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Brogan
DOCKET NO.: 21-05692.001-R-1
PARCEL NO.: 19-09-31-202-045-0000

The parties of record before the Property Tax Appeal Board are William Brogan, the appellant, by Mary Kate Gorman, Attorney at Law in Chicago; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$33,857
IMPR.: \$132,533
TOTAL: \$166,390

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 3,746 square feet of living area. The dwelling was constructed in 2007 and is approximately 14 years old. Features of the home include a basement, central air conditioning, a fireplace, and an 807 square foot 3-car garage.¹ The property has a 15,529 square foot site and is located in Frankfort, Frankfort Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.12 to 0.36 of a mile

¹ Additional details regarding the subject not reported by the appellant are found in the subject's property record card presented by the board of review.

from the subject. The parcels range in size from 14,767 to 25,600 square feet of land area² and are improved with 2-story homes of brick exterior construction ranging in size from 3,061 to 3,745 square feet of living area. The dwellings are 10 or 20 years old. Each home has a basement, two of which have finished area, central air conditioning, and a 3-car or a 3.5-car garage. Two homes have a fireplace. The comparables sold from July 2020 to April 2021 for prices ranging from \$425,000 to \$475,000 or from \$113.48 to \$146.98 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$166,390. The subject's assessment reflects a market value of \$499,070 or \$133.23 per square foot of living area, land included, when using the 2021 three year average median level of assessment for Will County of 33.34% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on eight comparable sales, together with a grid analysis of the appellant's comparables, a map depicting the location of both parties' comparables in relation to the subject, and property record cards for the parties' comparables. The board of review's comparables are improved with 2-story homes of brick exterior construction ranging in size from 2,662 to 3,783 square feet of living area. The dwellings were built from 2004 to 2015. Each home has a basement, central air conditioning, and a garage ranging in size from 741 to 904 square feet of building area. Two homes each have a fireplace. Comparables #5 and #6 each have an inground swimming pool. The comparables sold from March 2018 to March 2021 for prices ranging from \$410,000 to \$565,000 or from \$135.37 to \$154.02 per square foot of living area, including land.

The board of review submitted a letter from the township assessor's office contending that only one of the appellant's comparables is within the subject's neighborhood. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eleven comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparable #2 and the board of review's comparables #2, #3, #5, #6, and #7, due to substantial differences from the subject in dwelling size and/or inground

² The parties differ regarding the comparables' lot sizes. The Board finds the best evidence of these comparables' features is found in their property record cards presented by the board of review, which were not refuted by the appellant in written rebuttal.

swimming pool amenity and/or which sold less proximate in time to the assessment date than other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #3 and the board of review's comparables #1, #4, and #8, which are similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables sold for prices ranging from \$425,000 to \$565,000 or from \$113.48 to \$150.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$499,070 or \$133.23 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
