

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Rossi  
DOCKET NO.: 21-06876.001-R-1  
PARCEL NO.: 03-17-302-014

The parties of record before the Property Tax Appeal Board are Robert Rossi, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$68,600  
**IMPR.:** \$143,390  
**TOTAL:** \$211,990

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of brick exterior construction with 4,128 square feet of living area. The dwelling was constructed in 1989. Features of the home include a basement, central air conditioning, three fireplaces, and a 906 square foot garage. The property has an 18,120 square foot site and is located in Addison, Addison Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.8 of a mile from the subject. The parcels range in size from 8,520 to 11,400 square feet of land area and are improved with 2-story homes of brick or brick and frame exterior construction ranging in size from 3,627 to 4,388 square feet of living area. The dwellings were built from 1989 to 1994. Each home has a basement, central air conditioning, one fireplace, and a garage ranging in size from 484 to 924 square feet of building area. The comparables sold from February to June 2021

for prices ranging from \$450,000 to \$625,000 or from \$122.34 to \$142.43 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$211,990. The subject's assessment reflects a market value of \$634,131 or \$153.62 per square foot of living area, land included, when using the 2021 three year average median level of assessment for DuPage County of 33.43% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment the board of review submitted information on five comparable sales, together with a map depicting the locations of both parties' comparables in relation to the subject and property record cards for both parties' comparables. The parcels range in size from 8,008 to 18,130 square feet of land area and are improved with 2-story homes of brick or brick and frame exterior construction ranging in size from 3,112 to 3,766 square feet of living area. The dwellings were built in 1988 or 1989. Each home has a basement, central air conditioning, one or two fireplaces, and a garage ranging in size from 506 to 792 square feet of building area. The comparables sold from February 2018 to December 2020 for prices ranging from \$421,750 to \$710,000 or from \$135.52 to \$188.53 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the board of review's comparables, due to substantial differences from the subject in dwelling size and/or which sold less proximate in time to the assessment date than the other comparables in this record.

The Board finds the best evidence of market value to be the appellant's comparables, which sold more proximate in time to the assessment date and are relatively similar to the subject in dwelling size, age, location, and features, although these comparables have smaller sites than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices ranging from \$450,000 to \$625,000 or from \$122.34 to \$142.43 per square foot of living area, including land. The subject's assessment reflects a market value of \$634,131 or \$153.62 per square foot of living area, including land, which is above the range established by the best comparable sales in this record, but appears to be justified after considering appropriate adjustments to the best comparables for differences from the subject. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
