

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dario Del Fiacco  
DOCKET NO.: 21-06886.001-R-1  
PARCEL NO.: 06-24-208-010

The parties of record before the Property Tax Appeal Board are Dario Del Fiacco, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$61,800  
**IMPR.:** \$147,380  
**TOTAL:** \$209,180

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame and brick or stone exterior construction with 3,250 square feet of living area. The dwelling was constructed in 1979. Features of the home include a basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 15,515 square foot site and is located in Oak Brook, York Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within 0.4 of a mile from the subject. The parcels range in size from 15,249 to 18,743 square feet of land area and are improved with 2-story homes of brick, masonry, or stone exterior construction ranging in size from 3,412 to 4,390 square feet of living area. The dwellings were built in 1979 or 1992. Each

home has a basement with finished area,<sup>1</sup> central air conditioning, one or two fireplaces, and a 2-car garage. The comparables sold from April 2018 to March 2020 for prices ranging from \$630,000 to \$655,000 or from \$149.20 to \$189.92 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$209,180. The subject's assessment reflects a market value of \$625,725 or \$192.53 per square foot of living area, land included, when using the 2021 three year average median level of assessment for DuPage County of 33.43% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.2 of a mile from the subject. The parcels range in size from 15,626 to 18,409 square feet of land area and are improved with 2-story homes of frame and brick or stone exterior construction ranging in size from 2,846 to 3,420 square feet of living area. The dwellings were built from 1978 to 1985. Each home has a basement, one of which has finished area, central air conditioning, a fireplace, and a garage ranging in size from 546 to 728 square feet of building area. The comparables sold from July 2020 to April 2021 for prices ranging from \$675,000 to \$775,000 or from \$197.37 to \$272.31 per square foot of living area, including land.

The board of review submitted a memorandum from the township assessor's office contending that the board of review's comparables were built from 1978 to 1985 and range in size from 2,846 to 3,420 square feet of living area, whereas the appellant's comparables were built in 1979 or 1992 and range in size from 3,412 to 4,390 square feet of living area. Based on this evidence the board of review requested confirmation the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #2, which sold less proximate in time to the assessment date than the other comparables in this record, and the appellant's comparable #3 and the board of review's comparable #1, due to substantial differences from the subject in dwelling size.

The Board finds the best evidence of market value to be the board of review's comparables #2 and #3, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and features. These most similar comparables

sold for prices of \$675,000 and \$695,000 or for \$197.37 and \$237.53 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$625,725 or \$192.53 per square foot of living area, including land, which is below the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
