

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Terrence & Caren Newsome  
DOCKET NO.: 21-07178.001-R-1  
PARCEL NO.: 09-21-408-011

The parties of record before the Property Tax Appeal Board are Terrence & Caren Newsome, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$81,320  
**IMPR.:** \$157,000  
**TOTAL:** \$238,320

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

Although originally the DuPage County Board of Review requested a hearing in this matter, the request was subsequently waived in lieu of a decision to be issued on the written record.

The subject property consists of a two-story dwelling of brick exterior construction with 4,436 square feet of living area. The dwelling was constructed in 1998. Features of the home include a basement with finished area, central air conditioning, one fireplace, a 758 square foot garage and an inground swimming pool. The property has a 15,653 square foot site and is located in Darien, Downers Grove Township, DuPage County.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-08182.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of

the subject property to \$233,600 based on the evidence. In its submission, the board of review reported that 2019 was the beginning of the subject's general assessment cycle.

The appellants contend overvaluation as the basis of the appeal. In support of the overvaluation argument, the appellants submitted information on five comparable sales located within 0.54 of a mile from the subject property which have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from April 2020 to August 2021 for prices ranging from \$605,000 to \$737,500 or from \$140.14 to \$175.09 per square foot of living area, land included. Based on this evidence, the appellants requested the subject's total assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$268,900. The subject's assessment reflects a market value of \$804,367 or \$181.33 per square foot of living area, land included when applying the 2021 three-year average median level of assessment for DuPage County of 33.43% as determined by the Illinois Department of Revenue. The board of review disclosed that an equalization factor of 1.0202 was applied for the 2021 tax year in DuPage Township.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within 0.36 of a mile from the subject property. The comparables have varying degrees of similarity to the subject in location, age, dwelling size and features. The comparables sold from February 2019 to May 2021 for prices ranging from \$690,000 to \$760,000 or from \$185.09 to \$200.69 per square foot of living area, land included, respectively. Based on this evidence, the board of review requested the subject's assessment be confirmed.

In rebuttal, the appellants' counsel critiqued the board of review comparables #1 and #2 as not being comparable to the subject due to a remote 2019 sale date and/or a smaller dwelling size. Counsel submitted two rebuttal grids, one grid with both parties' comparables and one grid containing its suggested "best comparable sales for further clarity."

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted.

The Property Tax Appeal Board finds that the subject property was the matter of an appeal before this Board for a prior tax year under Docket Number 20-08182.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the subject's assessment to \$233,600 and that section 16-185 of the Property Tax Code is controlling in this appeal (35 ILCS 200/16-185).

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds the subject property is an owner-occupied residence and that the 2020 and 2021 tax years are within the same general assessment period for Downers Grove Township. The record contains no evidence showing the Board's prior 2020 decision was reversed or modified upon review and there was no evidence the subject property sold in an arm's length transaction establishing a different fair cash value. For these reasons, the Property Tax Appeal Board finds that the prior year's decision should be carried forward to the 2021 tax year pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of the 2021 equalization factor of 1.0202.

Additionally, notwithstanding the dictates of Section 16-185 of the Property Tax Code, the record contains eight sale comparables to support their respective arguments. These properties sold from February 2019 to August 2021 for prices ranging from \$605,000 to \$760,000 or from \$140.14 to \$200.69 per square foot of living area, including land. The subject's assessment after reduction reflects a market value of \$712,889 or \$160.71 per square foot of living area, land included, which falls within the range of the comparable sales in this record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
