

FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Joseph Chandy
DOCKET NO.: 21-07198.001-R-1
PARCEL NO.: 03-35-110-010

The parties of record before the Property Tax Appeal Board are Joseph Chandy, the appellant, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.¹

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	\$62,650
IMPR.:	\$192,600
TOTAL:	\$255,250

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 3,493 square feet of living area. The dwelling was constructed in 2001. Features of the home include a basement, central air conditioning, a fireplace and a 480 square foot garage. The property has a 12,500 square foot site and is located in Elmhurst, Addison Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales with the same assessment neighborhood code as the subject and located within 1.00 mile from the subject property. The comparables are described as 2-story dwellings ranging in size from 3,373 to 3,696 square feet of living area. The

dwellings were built from 2003 to 2005 and have features with varying degrees of similarity to the subject. The comparables sold from January 2020 to March 2021 for prices ranging from \$590,000 to \$750,000 or from \$174.92 to \$207.41 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The appellant also indicated on the Residential Appeal petition that the subject property is an owner-occupied dwelling.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$269,640. The subject's assessment reflects a market value of \$451,149 or \$167.71 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for DuPage County of 33.43% as determined by the Illinois Department of Revenue. The board of review also disclosed that the first year of the general assessment cycle for the subject property was 2019. Additionally, the board of review reported that a township equalization factor of 1.0440 was applied in 2021.

In support of its contention of the correct assessment, the board of review submitted information on five comparable sales with the same assessment neighborhood code as the subject. The comparables are described as 2-story dwellings ranging in size from 2,842 to 4,273 square feet of living area. The dwellings were built from 1995 to 2006 and have features with varying degrees of similarity to the subject. The comparables sold from June to November 2020 for prices ranging from \$670,000 to \$976,101 or from \$225.57 to \$239.77 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

The Property Tax Appeal Board takes judicial notice that the subject property was the subject matter of an appeal before the Board the prior year under Docket Number 20-08488.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$244,490 based on the evidence submitted by the parties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction

establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of an appeal before the Property Tax Appeal Board for the 2020 tax year under Docket No. 20-08488.001-R-1 in which a decision was issued based upon the evidence presented by the parties reducing the subject's total assessment to \$244,490. The record indicates that the subject property is an owner-occupied dwelling. The Board also finds that the 2020 and 2021 tax years are within the same general assessment period and an equalization factor of 1.0440 was applied in Addison Township in 2021. Furthermore, the decision of the Property Tax Appeal Board for the 2020 tax year has not yet been reversed or modified upon review and there was no evidence the subject property subsequently sold establishing a different fair cash value. Therefore, applying section 16-185 of the Property Tax Code would result in a total assessment of \$255,250,² which is less than the 2021 total assessment of the subject property of \$269,640. Considering the statutory mandates of section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted.

² The Board recognizes as a practice that DuPage County rounds assessments to the nearest \$10 increment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
