

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bruce & Kathy Simpson  
DOCKET NO.: 21-07241.001-R-1  
PARCEL NO.: 08-18-411-006

The parties of record before the Property Tax Appeal Board are Bruce & Kathy Simpson, the appellants, by Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the DuPage County Board of Review.<sup>1</sup>

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$93,930  
**IMPR.:** \$231,690  
**TOTAL:** \$325,620

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellants timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 3,483 square feet of living area. The dwelling was constructed in 2002. Features of the home include a basement with finished area, central air conditioning, one fireplace, and a 606 square foot garage. The property has a 7,490 square foot site and is located in Naperville, Lisle Township, DuPage County.

The appellants contend overvaluation as the basis of the appeal. In support of this argument the appellants submitted information on six comparable sales located within the same assessment neighborhood code as the subject and within .74 of a mile from the subject. These comparables are described as 2-story dwellings built from 2002 to 2016 that range in size from 3,002 to 4,329

square feet of living area. The comparables each have a basement, three of which have finished area. Each comparable also has a garage ranging in size from 440 to 709 square feet of building area. The comparables sold from February 2020 to December 2021 for prices ranging from \$650,000 to \$895,000 or from \$150.15 to \$249.83 per square foot of living area, land included. Based on this evidence, the appellants requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$325,620. The subject's assessment reflects a market value of \$974,035 or \$279.65 per square foot of living area, land included, when using the 2021 three-year average median level of assessment for DuPage County of 33.43% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information prepared by the township assessor on four comparable sales located within .88 of a mile from the subject and one with the same assessment neighborhood code as the subject. The comparables are reported to have sites ranging in size from approximately 7,346 to 12,038 square feet of land area and are improved with 2-story or 2-story w/1-story dwellings of frame exterior construction built from 2004 to 2019. The dwellings range in size from 3,250 to 3,855 square feet of living area and have basements, three of which have finished area. Each comparable has central air conditioning, one or two fireplaces and a garage ranging in size from 656 to 748 square feet of building area. The comparables sold from July 2020 to August 2021 for prices ranging from \$921,000 to \$1,285,000 or from \$280.69 to \$333.33 per square foot of living area, land included. The board of review also submitted a map displaying the locations of both parties' comparable sales in relation to the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, counsel for the appellants' counsel contended that board of review comparables #1, #3 and #4 are located in a different neighborhood than the subject.

### **Conclusion of Law**

The appellants contend the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the parties submitted ten comparables sales to support their respective positions. The Board gives less weight to appellants' comparables #4, #5 and #6 as well as board of review comparables #2 and #4 due to differences in age or dwelling size when compared to the subject.

The Board finds the best evidence of market value to be appellants' comparables #1, #2 and #3 along with board of review comparables #1 and #3 which are relatively similar to the subject in location, age, dwelling size and some features. These comparables sold from July 2020 to December 2021 for prices ranging from \$742,500 to \$1,285,000 or from \$242.83 to \$333.33 per square foot of living area, including land. The subject's assessment reflects a market value of

\$974,035 or \$279.65 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this record and after considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
