

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Roy Kogstad
DOCKET NO.: 21-20099.001-R-1
PARCEL NO.: 09-13-325-007-0000

The parties of record before the Property Tax Appeal Board are Roy Kogstad, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,625
IMPR.: \$15,875
TOTAL: \$21,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 1,124 square feet of living area. The dwelling was constructed in 1965. Features of the home include a full basement with a formal recreational room, central air conditioning, and a 2-car garage. The property has a 6,250 square foot site and is located in Morton Grove, Maine Township, Cook County.

The appellant contends the assessment of the subject property as established by the decision of the Property Tax Appeal Board for the 2019 tax year should be carried forward to the 2021 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 19-32686. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the

subject property to \$21,500 based on the evidence submitted by the parties. The appellant asserted that tax year 2021 is within the same general assessment period.

The appellant claims to have received a COVID-19 adjustment of 21% for the 2019 appeal, and that this percentage reduction should be carried forward to the 2021 tax year. Based on this, the appellant requested an assessment of \$16,985.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$21,530 or \$14.15 per square foot of living area. The board of review stipulated to the 2019 Property Tax Appeal Board decisions lowering the total assessment of the subject to \$21,500.

In support of its contention of the correct assessment the board of review submitted information on five equity comparable, all located on the subject's block. The comparables ranged: in size from 1,115 to 1,215 square feet of living area; and in improvement assessment from \$16.57 to \$17.19 per square feet of living area.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2019 tax year should be carried forward to the 2019 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15). The Board finds the appellant *met/t* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2019 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board gives no weight to appellant's request to carry forward a COVID-19 percentage adjustment for the 2021 appeal. The record does not indicate the appellant's initial appeal in 2019 received a COVID-19 percentage adjustment, rather, the reduction was granted pursuant to stipulation. Further, the appellant has provided the Board with no legal basis for this request.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2019 tax year. The record further indicates that the subject property is an owner-occupied dwelling and that 2019 and 2021 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
