

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Linda Ragins
DOCKET NO.: 21-20561.001-R-1
PARCEL NO.: 04-01-400-057-0000

The parties of record before the Property Tax Appeal Board are Linda Ragins, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,802
IMPR.: \$33,500
TOTAL: \$63,302

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 2,485 square feet of living area. The dwelling is approximately 65 years old. Features of the home include an unfinished basement, 3 bathrooms, central air conditioning, one fireplace and a 2.5-car garage. The property has an approximately 22,076 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of frame and masonry exterior construction ranging in size from 2,305 to 2,480 square feet of living area. The homes range in age from 63

to 68 years old. Each comparable has a basement, from 2, 2½ or 3 bathrooms, central air conditioning, one fireplace and a 2-car garage. The comparables have improvement assessments ranging from \$28,087 to \$31,615 or from \$12.19 to \$12.75 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$31,063 or \$12.50 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$66,007. The subject property has an improvement assessment of \$36,205 or \$14.57 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables are improved with 1-story class 2-04 dwellings of frame, masonry or frame and masonry exterior construction ranging in size from 1,840 to 3,022 square feet of living area. The homes range in age from 34 to 67 years old. Each comparable has a basement, two of which have finished area. Each dwelling has 2 or 3 bathrooms, central air conditioning and a 1-car or a 2-car garage. Three homes each have one fireplace. Comparables #2 and #4 are depicted to have a "deluxe" condition and comparable #3 has "other improvements" not further described. The comparables have improvement assessments ranging from \$28,804 to \$60,931 or from \$15.65 to \$20.66 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to appellant comparable #1 along with each of the board of review comparables which differ from the subject in age, dwelling size, finished basement amenity, condition and/or present "other improvements" unlike the subject.

The Board finds the best evidence of assessment equity to be appellant comparables #2, #3 and #4 which are nearly identical to the subject in location, age, design, dwelling size and most features. Although, each of these best comparables has either ½ or 1 bathroom fewer than the subject property, suggesting an upward adjustment is needed to make these properties more equivalent to the subject. These best comparables have improvement assessments ranging from \$30,481 to \$31,615 or from \$12.32 to \$12.75 per square foot of living area. The subject's improvement assessment of \$36,205 or \$14.57 per square foot of living area falls above the range established by the best comparables in this record. After considering appropriate adjustments to the comparables for differences from the subject, the Board finds the appellant

demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
