

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anita Lutkus
DOCKET NO.: 21-20617.001-R-1
PARCEL NO.: 05-34-112-023-0000

The parties of record before the Property Tax Appeal Board are Anita Lutkus, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,934
IMPR.: \$27,367
TOTAL: \$32,301

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story townhome of frame and masonry exterior construction with 1,462 square feet of living area. The dwelling was constructed in 1967 and is approximately 54 years old. Features of the home include a full basement, central air conditioning, a fireplace and a one-car garage. The property has a 2,467 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code and property classification code as the subject property. The comparables are improved with townhomes of frame and masonry exterior construction containing either 1,462 or 1,632 square feet of living area. The homes are

53 or 54 years old. Each comparable has a full basement, central air conditioning and a one-car or a two-car garage. Comparable #4 has a fireplace. The comparables have improvement assessments ranging from \$24,416 to \$26,908 or from \$15.81 to \$16.70 per square foot of living area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$23,918 or \$16.36 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$32,301. The subject property has an improvement assessment of \$27,367 or \$18.72 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have same assessment neighborhood code and property classification code as the subject property. The comparables are improved with two-story townhomes of masonry or frame and masonry exterior construction containing 1,650 or 2,256 square feet of living area. The homes are 20 or 58 years old. Two comparables each have a full or partial basement and two comparables each have a crawl space foundation. Each comparable has central air conditioning, two comparables each have one or two fireplaces and comparable #2 has a two-car garage. The comparables have improvement assessments ranging from \$36,750 to \$58,920 or from \$22.27 to \$26.12 per square foot of living area.

Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board has given less weight to board of review comparable #2 due to its newer age and considerably larger dwelling size when compared to the subject.

The Board finds the appellant's comparables and board of review comparables #1, #3 and #4 are similar to the subject in location and age. However, six of the seven comparables are 11% or 12% larger in dwelling size, five comparables have a fewer number of fireplaces, two comparables lack a basement foundation and three comparables lack a garage, when compared to the subject. These differences suggest adjustments would be required to make the comparables more equivalent to the subject. Nevertheless, these seven comparables have improvement assessments ranging from \$24,416 to \$39,897 or from \$15.81 to \$24.18 per square foot of living area. The subject's improvement assessment \$27,367 or \$18.72 per square foot of living area

falls within the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed. Therefore, based on this record the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
