

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Willard Shonfeld
DOCKET NO.: 21-20662.001-R-1
PARCEL NO.: 04-01-413-018-0000

The parties of record before the Property Tax Appeal Board are Willard Shonfeld, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,621
IMPR.: \$43,702
TOTAL: \$69,323

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,555 square feet of living area. The dwelling is approximately 67 years old. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a 2-car garage. The property has an 18,979 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted a grid analysis of four equity comparables with varying degrees of similarity to the subject property. The appellant also disclosed that the subject property is an owner-occupied residence. The Board takes judicial notice that the subject property was the subject matter of an appeal before the Property Tax

Appeal Board the prior year under Docket Number 20-22849.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the total assessment of the subject property to \$69,323 based on the evidence presented in the record.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$79,924. The Board of Review Notes on Appeal also disclosed that 2019 was the first year of the triennial General Assessment Cycle for the subject property and that no township equalization factor was applied to the subject property's assessment.

Conclusion of Law

The taxpayer's initial filing was based on improvement assessment inequity. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). However, the standard of review in this case is mandated by Section 16-185 of the Property Tax Code and, based on that mandate, the Board finds that a reduction in the subject's improvement assessment is warranted.

The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 20-22849.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the total assessment of the subject property to \$69,323 based on the evidence submitted by the parties.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board further finds that the prior year's decision should be carried forward to the subsequent year and that no equalization factor was applied to that year's assessments. This finding is pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) and the fact that 2020 and 2021 are within the same general assessment period in New Trier Township where the subject property is located. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. For these reasons, the Property Tax Appeal Board finds that the assessment as established by this Board for the 2020 tax year should be carried forward to the 2021 tax year pursuant to the owner-occupied residence "rollover" provision as set forth in section 16-185 of the Property Tax Code.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
