

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Li Shen
DOCKET NO.: 21-20666.001-R-1
PARCEL NO.: 05-31-113-030-0000

The parties of record before the Property Tax Appeal Board are Li Shen, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,351
IMPR.: \$22,579
TOTAL: \$33,930

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 9,870 square foot parcel of land improved with a 62-year-old, multi-level, frame and masonry, single-family dwelling containing 1,345 square feet of building area. The property is located in Glenview, New Trier Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted data on four suggested comparables. These comparables are described as multi-level, frame and masonry, single-family dwellings. They contain from 31,260 to 1,593 square feet of building area and sold from February 2020 to April 2021 for prices ranging from \$200.88 to \$231.45 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$33,930 which reflects a market value of \$339,300 or \$252.27 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the current assessment, the board of review submitted data on four suggested comparables. These comparables are described as multi-level, frame and masonry, single-family dwellings. They are 62-years old, contain from 1,217 to 1,422 square feet of building area, and sold from May to October 2020 for prices ranging from \$273.72 to \$323.49 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the comparables best evidence of market value to be the appellant's comparables #2 and #4 and the board of review's comparables #1, #2, and #4. These properties sold from May 2020 to April 2021 for prices ranging from \$210.05 to \$323.49 per square foot of building area. The remaining comparables were given less weight due to a difference in size. In comparison, the subject's assessment reflects a market value of \$252.27 per square foot of building area which is within the range of these comparables. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
