

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cornelia & Todd Wagner
DOCKET NO.: 21-20725.001-R-1
PARCEL NO.: 05-31-212-010-0000

The parties of record before the Property Tax Appeal Board are Cornelia & Todd Wagner, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,482
IMPR.: \$27,552
TOTAL: \$39,034

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of masonry exterior construction with 1,734 square feet of living area. The home is approximately 62 years old. Features include a partial basement with finished area, central air conditioning, and a 1-car garage. The property has an 8,505 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellants contend assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with class 2-34 dwellings of masonry exterior construction ranging in size from 1,495 to 2,400 square feet of living area. The homes range in age from 58 to 62 years old. Each

comparable has a partial basement, central air conditioning, and a 2-car garage. Two comparables each have a fireplace. The comparables have improvement assessments ranging from \$20,273 to \$33,382 or from \$13.56 to \$14.56 per square foot of living area. Based on this evidence, the appellants requested that the improvement assessment be reduced to \$24,241 or \$13.98 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,034. The subject property has an improvement assessment of \$27,553 or \$15.89 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located in the subject's assessment neighborhood code. The comparables are improved with class 2-34 multi-level dwellings of masonry exterior construction ranging in size from 1,626 to 1,753 square feet of living area. The homes range in age from 58 to 61 years old. Each comparable has a partial basement with finished area and central air conditioning. One comparable has a fireplace. Two comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$28,516 to \$30,299 or from \$17.08 to \$18.28 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board finds the best evidence of assessment equity to be the appellants' comparable #2 as well as the board of review comparables which are more similar to the subject in location, age, and dwelling size with varying degrees of similarity in other features. Two of these comparables lack a garage, which is a feature of the subject, suggesting upward adjustments for these differences would be necessary to make them more equivalent to the subject. Conversely, three comparables have a fireplace, unlike the subject, suggesting downward adjustments for this difference would be necessary to them for equivalency with the subject. Nevertheless, these comparables have improvement assessments ranging from \$22,308 to \$30,299 or from \$13.89 to \$18.28 per square foot of living area. The subject's improvement assessment of \$27,552 or \$15.89 per square foot of living area falls within the range established by the best comparables in this record. The Board gives less weight to the appellant's comparables #1, #3, and #4 which are less similar to the subject in dwelling size than the other comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
