

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Kroll  
DOCKET NO.: 21-20741.001-R-1  
PARCEL NO.: 01-27-305-002-0000

The parties of record before the Property Tax Appeal Board are Steven Kroll, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,160  
**IMPR.:** \$47,004  
**TOTAL:** \$58,164

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame and masonry construction with 4,156 square feet of living area. The dwelling was constructed in 1991. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a 3.5-car garage. The property has a 55,800 square foot site and is located in South Barrington, Barrington Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables. The comparables ranged: in age from 34 to 42 years old; in size from 4,224 to 4,632 square feet of living area; and from \$9.90 to \$13.00 per square feet of living area. The comparables have amenities of a full basement, with two finished, central air conditioning, at least one fireplace, and for three properties, either a three-car

or three-and-a-half-car garage. Based on this evidence, the appellant requested an assessment for the subject of \$50,806.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$58,164. The subject property has an improvement assessment of \$47,004 or \$11.31 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables, either located on the subject's block or within ¼ mile of its location or within its subarea. The improvement assessments ranged: in age from 27 to 39 years old; in size from 4,128 to 4,807 square feet of living area; and from \$12.15 to \$14.91 per square foot of living area. The comparables have amenities of a full basement, with three finished, at least one fireplace, for three properties, central air conditioning, and either a three-car or four-car garage. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

In rebuttal, appellant submitted seven additional comparables. The Official Rules of the Property Tax Appeal Board prohibit the submission of new evidence in rebuttal and, therefore, these comparables cannot be considered by the Board. 86 Ill.Admin.Code 1910.66.

The Board finds the best evidence of assessment equity to be and *appellant's comparables #1, #2, and #3* and *board of review comparables #1*. These comparables had improvement assessments that ranged from \$11.90 to \$14.91 per square foot of living area. These comparables were given greater weight due to their size relative to the subject. The subject's improvement assessment of \$14.00 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
