

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alan Roth
DOCKET NO.: 21-21139.001-R-1
PARCEL NO.: 05-34-403-008-0000

The parties of record before the Property Tax Appeal Board are Alan Roth, the appellant(s), by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,740
IMPR.: \$91,384
TOTAL: \$117,124

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of stucco construction with 2,412 square feet of living area. The dwelling is 106 years old. Features of the home include a full basement, central air conditioning, a fireplace, and a two-car garage. The property has an 11,880 square foot site located in New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends recent sale as the basis of appeal. The appellant did not submit recent sale evidence nor did the appellant answer any of the questions on the PTAB appeal form's Section IV- Recent Sale Data, as required by PTAB rules. Instead, the appellant submitted five suggested sale comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$117,124. The subject's assessment reflects a market value of \$1,171,240 or \$285.04 per square foot of living area, including land, when applying the 2021 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on four comparable sales.

In written rebuttal, the appellant differentiated the board of review's comparable properties from the subject property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not meet the burden of proving by a preponderance of the evidence that the subject is overvalued based on the recent sale price. Neither party submitted any evidence regarding the recent sale of the subject. As such, the Board finds a reduction on this basis is not justified.

The Board notes that even if it were to consider the parties' comparable sale evidence, it would find that the subject's assessment reflects a market value of \$285.04 per square foot, including land which is within the range of the comparables of \$227.17 to \$557.95 per square foot of living area, including land. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
