

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alberto Salvo
DOCKET NO.: 21-21306.001-R-1
PARCEL NO.: 05-28-419-014-0000

The parties of record before the Property Tax Appeal Board are Alberto Salvo, the appellant, by Amy C. Floyd, attorney-at-law in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,700
IMPR.: \$55,352
TOTAL: \$70,052

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of masonry exterior construction containing 2,895 square feet of living area. The dwelling is approximately 95 years old. Features of the property include a partial unfinished basement, central air conditioning, one fireplace, three bathrooms, and a 2-car garage. The property has a 7,000 square foot site located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject composed of class 2-06 properties improved with two-story dwellings of masonry or frame and masonry exterior construction that range in size from 2,532 to 3,311 square feet of living area. The homes range in age from 85 to 92 years old. Each property has a full basement, one or two fireplaces, and 2

or 3½ bathrooms. Three comparables have central air conditioning. These properties have improvement assessments ranging from \$40,265 to \$49,248 or from \$14.46 to \$15.90 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$42,557.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$70,052. The subject property has an improvement assessment of \$55,352 or \$19.12 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables composed of class 2-06 properties improved with two-story dwellings of frame or frame and masonry exterior construction that range in size from 2,825 to 4,773 square feet of living area. The homes range in age from 81 to 98 years old. Three comparables have a full basement with two having finished area. One comparable has a slab foundation. Each comparable has one or two fireplaces and 2½ or 4½ bathrooms. Three comparables have central air conditioning and three comparables have a 2-car garage. These properties have the same assessment neighborhood code as the subject and are located in the same block or ¼ of a mile from the subject property. Their improvement assessments range from \$58,373 to \$99,334 or from \$19.68 to \$26.25 per square foot of living area.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted information on eight comparables with the same classification code and neighborhood code as the subject property to support their respective positions. The Board gives less weight to appellant's comparables #3 and #4 as well as board of review comparable #3 due to differences from the subject dwelling in size. The Board gives less weight to board of review comparable #2 due to differences from the subject dwelling in type of foundation. The Board finds the best evidence of assessment equity to be appellant's comparables #1 and #2 and board of review comparables #1 and #4 that range in size from 2,825 to 3,057 square feet of living area and in age from 81 to 96 years old. These comparables have varying degrees of similarity to the subject property in features. These four comparables have improvement assessments that range from \$41,880 to \$80,238 or from \$14.46 to \$26.25 per square foot of living area. The subject's improvement assessment of \$55,352 or \$19.12 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
