

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Fitzgibbons
DOCKET NO.: 21-21620.001-R-1
PARCEL NO.: 08-15-200-043-0000

The parties of record before the Property Tax Appeal Board are James Fitzgibbons, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,177
IMPR.: \$42,965
TOTAL: \$51,142

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 3,632-square-foot parcel of land improved with a two-story, frame and masonry, single-family dwelling. Features of the home include a partial basement, warm air, air conditioning, and a two-car garage. The property is located in Mount Prospect, Elk Grove Township, Cook County, and is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted sales information on four suggested comparables. These properties are described as frame and masonry, single-family dwellings. They range in age from 46 to 55 years old and in size from 2,805 to 3,421 square feet of building area. The comparable properties sold between June 2019 and March 2020 for prices ranging from \$360,000 to \$440,000 or \$124.51 to \$130.23 per square foot of building area, including land. Based on this evidence, the appellant

requested a reduction in the improvement assessment to \$38,285 with a total assessment of \$46,462.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$51,142 which reflects a market value of \$511,420 using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment, the board of review submitted two sales comparables. These properties are described as two-story, single-family dwellings with frame and masonry or frame construction. They have full basements and three-car garages. They range: in age from 2 to 7 years old; and contain from 3,602 to 3,776 square feet of building area. The comparable properties sold between March 2021 and July 2021 for prices of \$635,000 and \$750,000 or \$168.17 and \$208.22 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparable sales #1, and #3, and the board of review's comparable #1 and #3. These comparables sold for prices ranging from \$124.51 to \$208.22 per square foot of living area, including land. The Board gives no weight to the remaining comparables due to differences in size. The subject's assessment reflects a market value of \$140.81 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment based on the overvaluation argument is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
