### FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: John Farrella  
DOCKET NO.: 21-21709.001-R-1 through 21-21709.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are John Farrella, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-21709.001-R-1	02-21-304-004-0000	13,799	34,972	\$48,771
21-21709.002-R-1	02-21-304-009-0000	2,334	0	\$2,334

Subject only to the State multiplier as applicable.

#### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

#### **Findings of Fact**

The subject property has two PINs: PIN 02-21-304-004-0000 and PIN 02-21-304-009-0000. The appellant is only seeking a reduction on PIN -004. The subject property consists of a 53-year-old, two-story, single-family dwelling of frame and masonry construction with 2,984 square feet of living area. Features of the home include an unfinished partial basement, central air conditioning, and a two-car garage. The property has a 68,999 square foot site and is located in Inverness, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold between May 2020 and March 2021. The comparable properties ranged: in price between \$450,000 to \$525,000; in living area square footage between 2,968 to 3,696; and in sale price per square foot between \$141.50 to \$151.62, including land. Based on this evidence, appellant requested a reduction in the subject's assessment to \$43,478.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,771. The subject's assessment reflects a market value of \$487,710 or \$163.44 in market value per square foot of living area, including land, when applying the level of assessment of 10% for class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four sales comparables. The comparable properties ranged: in price between \$495,000 to \$595,000; in living area square footage between 2,753 to 3,178; and in sale price per square foot between \$169.06 to \$196.85, including land.

### **Conclusions of Law**

The taxpayer asserts that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment on this basis is not warranted.

The Board concludes that the best evidence of the subject's market value is the appellant's comparables #2 and #4 and the board of review's comparables #1 and #4. These comparables sold between May 2020 and December 2021, for amounts ranging from \$141.81 to \$196.85 per square foot of living area, land included in the sale price. The subject property's assessment reflects a market value of \$487,710, land included, or \$163.44 per square foot of living area, which is within the range established by the best comparables in the record. Accordingly, the Board determines that the appellant has not established by a preponderance of the evidence that the subject property was overvalued. Based on the evidence, the Board therefore finds that a reduction in the subject's assessment on this basis is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
