

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leon Huang
DOCKET NO.: 21-21710.001-R-1 through 21-21710.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Leon Huang, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
21-21710.001-R-1	02-30-113-009-0000	7,379	0	\$7,379
21-21710.002-R-1	02-30-113-010-0000	6,800	36,781	\$43,581

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property has two separate PINs and contains a single improvement. The subject property consists of a 32-year-old, two-story, single-family dwelling of frame construction with 3,640 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a three-car garage. The property has a 10,880 square foot site and is located in Hoffman Estates, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparable properties sold between June 2019 and May 2021. The comparable properties ranged: in price between \$386,250 to \$488,500; in living area square footage between 3,073 to 3,398; and in sale price per

square foot between \$123.80 to \$143.76, including land. Based on this evidence, appellant requested a reduction in the subject's assessment to \$48,993.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for one PIN of the subject to be \$47,623. However, the appellant submitted a decision letter from the board of review, dated, June 6, 2022, stating the total assessment amount for both PINs is \$55,002.

The subject's assessment reflects a market value of \$550,020 or \$151.10 in market value per square foot of living area, including land, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four suggested sales comparables.

Conclusions of Law

The taxpayer asserts that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The Board concludes that the best evidence of the subject's market value is the appellant's comparables #1 through #4. Like the subject property, these comparables are two-story, single-family dwellings with full basements, central air conditioning, a fireplace, at least a two-car garage and locations within the same neighborhood code as the subject property.

These comparables sold between June 2019 and May 2021, for amounts ranging from \$123.80 to \$143.76 per square foot of living area, land included in the sale price. The subject property's assessment reflects a market value of \$550,020, land included, or \$151.10 per square foot of living area, which is above the range established by the best comparables in the record. Accordingly, the Board determines that the appellant has established by a preponderance of the evidence that the subject property was overvalued. Based on the evidence, the Board therefore finds that a reduction in the subject's assessment on this basis is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
