

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Tatge
DOCKET NO.: 21-21861.001-R-1
PARCEL NO.: 08-09-221-019-0000

The parties of record before the Property Tax Appeal Board are Paul Tatge, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,075
IMPR.: \$31,476
TOTAL: \$37,551

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 12,150 square foot parcel of land improved with a 50-year-old, 1-story, masonry, single-family dwelling, containing 2,131 square feet of living area. The property is located in Arlington Heights, Elk Grove Township, Cook County and is a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity as the basis of the appeal. In support of its inequity argument, appellant submitted information on four suggested equity comparables. Each of the comparables were improved with a 2-story dwelling of masonry construction. They ranged in size between 1,971 and 2,309 square feet of living area and in improvement assessment between \$14.00 and \$16.45 per square foot of living area. Appellant also indicates in its Appeal Form that the subject property is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$42,813.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$42,813, with an improvement assessment of \$36,738, or \$17.24 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted four comparable properties. Each of the comparable properties were improved with a 1-story dwelling of masonry construction. They ranged in living area square feet from 1,851 to 2,168 and in assessment from \$17.70 to \$20.83 per square foot of living area.

Conclusion of Law

Appellant contends assessment inequity as the basis of the appeal. However, in this case the Board finds that the assessment as established by the Board for tax year 2020 should be carried forward to the instant tax year as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes official notice that it issued a decision lowering the subject's assessment for tax year 2020 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2020 and the instant tax year of 2021 are in the same general assessment period for Elk Grove Township, Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(1). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject recently sold in an arm's-length transaction, or that the Board's 2020 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2020 decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
