

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William & Margaret Graff  
DOCKET NO.: 21-21963.001-R-1  
PARCEL NO.: 02-06-105-003-0000

The parties of record before the Property Tax Appeal Board are William & Margaret Graff, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$4,131  
**IMPR.:** \$34,884  
**TOTAL:** \$39,015

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an owner-occupied two-story dwelling with 2,506 square feet of living area of frame and masonry construction. The dwelling was constructed in 1953. Features include a full unfinished basement, central air conditioning, a fireplace, and a two-car garage. The property has a 15,022 square foot site and is located in Barrington, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of these arguments the appellant submitted information on four comparable sales. The comparables were improved with single-family residences of either frame or frame and masonry construction. The sales occurred from August 2018 to January 2020 for prices ranging from \$316,500 to \$440,000 or \$129.13 to \$143.46 per square foot, including land when using the Cook County Real Estate

Classification Ordinance level of assessment for class 2 property of 10%. Based on this evidence, the appellant requested an assessment of \$33,624.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,015 which reflects a market value of \$390,150 or \$155.69 per square foot of living area, including land.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales, either located on the subject's block or within a ¼-mile radius of its location. The sales occurred from June 2018 to April 2020 for price ranging from \$460,000 to \$680,000 or \$164.05 to \$233.84 per square foot, including land when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value to be *appellant comparable sales #1, and #4* and *board of review comparable #2, #3, and #4*. These comparables were given greater weight due to their similar exterior construction relative to the subject. These comparables sold for prices ranging from \$129.13 to \$179.19 per square foot of living area, including land. The subject's assessment reflects a market value of \$155.69 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
