

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Millar
DOCKET NO.: 21-22243.001-R-1
PARCEL NO.: 08-11-100-019-0000

The parties of record before the Property Tax Appeal Board are William Millar, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,500
IMPR.: \$12,119
TOTAL: \$31,619

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 64 year old, one-story, single-family dwelling of masonry construction with 1,552 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, one fireplace and a two-car garage. The property has a 30,000 square foot site and is located Mount Prospect, Elk Grove Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$295,000 as of September 13, 2019. The appraisal relied on the sales comparison approach, and it contained information on four comparable sales. The comparable properties sold between October 2018 and March 2019. The comparable properties ranged: in price between \$265,000 to

\$300,000; in size between 1,322 to 1,817; and in sale price per square foot between \$151.35 to \$206.47, including land.

The appellant also contends contention of law as the basis of the appeal, despite leaving the "Contention of Law" box unchecked in Section 2d. In support of this argument, the appellant submitted a note requesting the adjustment received in both 2019 and 2020 be awarded in 2021, as well as a decision from this Board in 2019 under docket number 19-23532.001-R-1. The subject property was the subject matter of an appeal before the Board in 2019 under docket number 19-23532. In that appeal, the Board rendered a decision lowering the subject's assessment to \$31,619. In Section II of the appeal form, the appellant stated that the subject is owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$31,619.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,102. The subject's assessment reflects a market value of \$391,020 or \$251.95 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables; none of which contained sales data.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Board for tax year 2019 and 2020 should be carried forward to the instant tax year pursuant to section 16-185 of the Property Tax Code. When a contention of law is raised, the burden of proof is a preponderance of the evidence. 5 ILCS 100/10-15. The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the assessment as established by the Board for tax year 2019 should be carried forward to the instant tax year subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's-length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185. The Board takes official notice that it issued a decision lowering the subject's assessment for tax year 2019 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2019 and the instant tax year of 2021 are in the same general assessment period for Elk Grove Township, Cook County, Ill., Code of Ordinances §§ 74-31 and 74-32(1). The Board further finds that the subject is owner-occupied based on the appellant's statement in Section II of the appeal form, which states that the subject is owner-occupied. The record contains no evidence indicating that the subject sold in an arm's-length transaction after the Board's 2019 decision, or that the Board's 2019 decision was reversed or modified upon review. For these reasons, the Board finds that the appellant has proven, by a preponderance of the evidence, that the subject's assessment should be carried forward, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's 2019 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
