

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Wasikowski
DOCKET NO.: 21-22936.001-R-1
PARCEL NO.: 02-15-424-012-1099

The parties of record before the Property Tax Appeal Board are John Wasikowski, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$214
IMPR.: \$20,786
TOTAL: \$21,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a residential condominium unit within an eight-year-old, 112-unit residential condominium building of masonry construction. Each unit in the building is designated by a Property Index Number (PIN). The subject is PIN 1099 and owns 1.0248% of the common elements. The property is situated on 59,746 square feet of land in Palatine Township, Cook County. The subject is classified as a Class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement that disclosed the subject property was purchased on October 7, 2021, for \$210,000. The appellant also submitted a Multiple Listing Service information report

and a Warranty Deed. The appellant provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties; was advertised and sold by a realtor; was not sold due to a foreclosure. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2021 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,796. The subject's assessment reflects a market value of \$267,960 when applying the 2021 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on suggested comparable sales for 21 units in the building. These units sold from 2018 through 2019 for a total consideration of \$5,242,850 and comprised of 16.6614% the common elements of the building. The result was a full value of the property at \$31,467,043. Since the subject owned 1.0248% of the common elements, the board of review suggested the market value of the subject was \$322,474.

In rebuttal, the appellant argued that the comparable properties submitted as evidence by the board of review should be given diminished weight. The appellant reaffirmed the request for an assessment reduction.

The parties waived hearing and requested the Board to decide the appeal on the evidence submitted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2021 for \$210,000. The appellant provided information in Section IV-Recent Sale Data of the appeal that the parties to the transaction were not related; that the property was sold using a Realtor; that the property had been advertised on the open market. In further support of the transaction, the appellant submitted a copy of the settlement statement and a Multiple Listing Service information report. There was no evidence the subject was sold short or from a foreclosure. The Board finds the purchase price was below the market value reflected by the assessment. Based on this record, the Board finds the subject property had a market value of \$210,000 as of January 1, 2021, and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2021 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
