

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ted Feldman
DOCKET NO.: 21-23300.001-R-1
PARCEL NO.: 15-36-201-005-0000

The parties of record before the Property Tax Appeal Board are Ted Feldman, the appellant(s), by attorney Joel R. Monarch, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,615
IMPR.: \$30,860
TOTAL: \$50,475

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2021 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 128-year-old, two-story, single-family dwelling of frame construction with 3,086 square feet of living area. The property has a 20,648 square foot site and is located in Riverside, Riverside Township, Cook County. Features include a full basement with a formal recreation room, two full bathrooms, one half-bath, central air conditioning, and three-car garage. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four Class 2-06 comparables with varying degrees of similarities to the subject. The suggested comparables were located within five blocks of the subject property. The comparables had improvement assessments ranging from \$9.23 to \$11.11 per square foot of living area. The appellant also indicated an appraisal as a basis of the

appeal; however, no appeal was submitted into evidence and there was no mention of an appeal in the appellant's later submitted documentation. The appellant requested the subject's total assessment be reduced to \$50,475.

On June 1, 2023, the board of review was defaulted by the Board for failing to submit its evidence in time. The board of review was notified that any evidence received from them would not be considered in determining the correct assessment of the subject property. 86 Ill.Admin.Code §1910.40(d).

The total assessment for the subject property is \$55,070. The subject property has an improvement assessment of \$35,455 or \$11.49 per square foot of living area.

Prior to a scheduled December 20, 2024, hearing before a PTAB Administrative Law Judge the parties entered into a written agreement to waive hearing and have a decision rendered based on the previously submitted evidence.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proven by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof, and that a reduction in the subject's assessment is warranted.

The Board finds the best and only evidence of assessment equity to be the appellant's comparable #1, #3, and #4. These comparables had improvement assessments that ranged from \$9.23 to \$11.11 per square foot of living area. The subject's improvement assessment of \$11.49 per square foot of living area falls above the range established by the best comparables in this record. After considering all the comparables submitted by the parties with emphasis on those properties that are more proximate in location, more similar in size, and with similar features relative to the subject and after further considering adjustments to the best comparables for differences from the subject, the Board finds the subject's improvement assessment is not supported. The Board finds that the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and, therefore, a reduction in the subject's assessment commensurate with the appellant's request is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
